ACCREDITATION

Trevecca Nazarene College is accredited as a Senior College by the SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS. Membership in one of the six regional accrediting associations in the United States indicates that the college has been carefully evaluated and found to meet standards agreed upon by qualified educators. Trevecca's membership was reaffirmed for ten years in December, 1973.

Its Teachers Education program is accredited by the Tennessee Department of Education, and its Physician Assistant Program is accredited by the Committee on Allied Health Education and Accreditation. The College is accredited by the National Association of Schools of Music.

These documents are on file in the office of the Dean of the College and may be reviewed upon request.

Trevecca is a member of the Tennessee College Association, the Tennessee Council of Private Colleges, the American Association of Colleges of Teacher Education, the Council of Independent Colleges, the National Association of Independent Colleges & Universities, the Tennessee Independent Colleges Fund, the Association of Church Related Colleges and Universities, Council for the Advancement of Experiential Learning, and Christian College Coalition.

TREVECCA COLLEGE ARCHIVES

TREVECCA NAZARENE COLLEGE?. . .the college of the Church of the Nazarene in the southeastern United States. . .a quality Christian liberal arts college.

WHAT DO YOU MEAN BY "CHRISTIAN" COLLEGE?. . .We, as a church-related, Bible-believing community, offer an education in the context of Christian beliefs and perspectives. We try to study, to think, to live as a genuine "Christian community."

WHAT IS THE CAMPUS LIKE?... The school is spread out on a hill in Southeast Nashville overlooking the downtown area. Trees, fountains, picturesque old buildings, modern new buildings...it's a beautiful and varied environment in which to learn.

WHAT KIND OF A CITY IS NASHVILLE?... a busy, bustling one, offering a great variety of opportunities and entertainment. The "Grand Ole Opry," 18 colleges and universities, Centennial Park, numerous concerts and plays...all this and more!

WHAT WILL A TREVECCA EDUCATION DO FOR ME AS A PERSON? . . .To you as an individual, a person, we offer an educational experience which will open doors into a lifetime of thinking and learning. We offer a place where you can thoughtfully develop the philosophy and the beliefs by which you will live your life. We offer a community of people in which you can find meaningful and life-long friendships.

HOW'S THE TEACHER EDUCATION PROGRAM?. . .It's one of the best! Trevecca is proud of her quality Teacher Education Program. And we've had a high degree of success in placing teachers in full-time teaching positions after graduation.

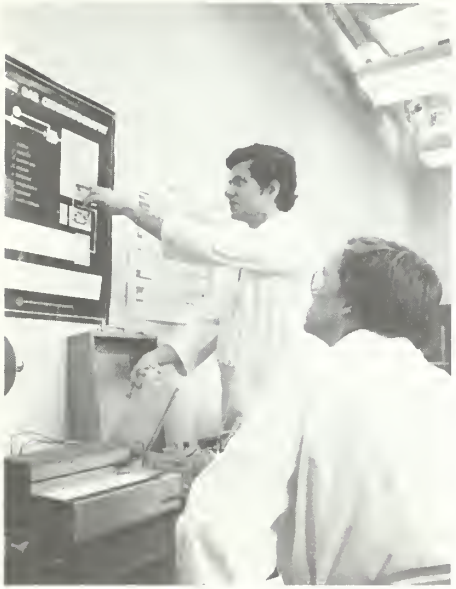
ANY PRE-PROFESSIONAL AND PARA-PROFESSIONAL PROGRAMS?. . .Yes, TNC has developed one of the finest pre-professional and para-professional programs in Tennessee. These include pre-nursing, pre-medicine, pre-pharmacy, pre-law, and pre-engineering. The only Physician Assistant Program in Tennessee is offered at Trevecca.

HOW'S THE ATHLETIC PROGRAM?. . .active and growing! A wide variety of intercollegiate and intramural sports gives every student a chance to participate. Varsity sports include basketball, volleyball, baseball, and tennis.

ARE THERE MANY STUDENT CLUBS AND ORGANIZATIONS? . . .YES! TNC students have a chance to be involved. Vocal and instrumental groups, a respected student council, several student publications, a student-run radio station, forensic team, and numerous service organizations offer many chances for each student to pursue his or her own special interests.

DO YOU PROVIDE FINANCIAL AID?. . .Trevecca's program to aid students with scholarships, grants, and loans is extensive, flexible and designed to meet each student's need. We want to help you as much as we can!

CAN YOU HELP ME FIND A JOB? . . .We're committed to helping our students find jobs, both while they're here and after graduation. The Student Employment Office and the Career Planning and Placement Center work full-time to find just the right place of employment for you!



A COLLEGE EDUCATION AT TREVECCA IS MANY THINGS:

. . .It is acquiring knowledge and achieving excellence.

. . .It is the development of wisdom—putting acquired knowledge to use.

. . .It is the creating of meaningful relationships with faculty and peers and forming lasting friendships.

. . .It is finding one's vocation in life.

. . .It is developing a personal satisfactory relationship with Christ.

. . .It is community living including sports, music, dates, banquets, cheers, group discussions, college politics, and dorm prayer meetings.

. . .It is WHAT YOU WILL MAKE IT.

All of us at Trevecca are anxious to work with each student. We are committed to help you—the student—achieve the best possible education so you can MAKE A LIFE AS WELL AS A LIVING.

Share your concerns and interest with us. UNDER GOD, this can be a great year in our lives.

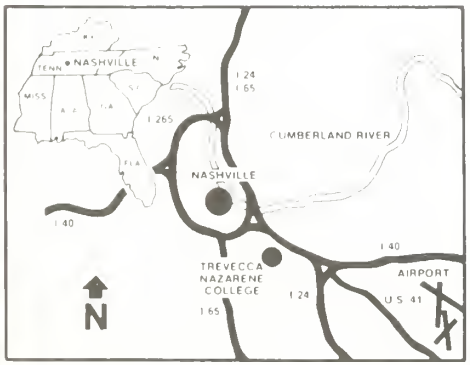
Homer J. Adams
President

LOCATION

The College is located on a hill in the southeast section of Nashville, overlooking the downtown area. It is three miles to Nashville Municipal Airport. The location of the College, easily accessible to downtown Nashville, provides excellent job opportunities for students, and with the modern transportation network is easy to reach from any point in the Southeast. It also provides an urban setting for investigations of problems by sociology, religion, and other service oriented departments. It furnishes field opportunities for education in cooperation with the METRO School System and for business administration in cooperation with local firms.

HOW TO GET TO THE CAMPUS

Students who plan to use the Nashville city buses should take the Murfreesboro Road line. Any bus on this line goes to the intersection of Alumni Drive and Murfreesboro Road and the campus entrance. By automobile the campus may be reached via U.S. Highway 41 leading from Interstate 24, 40, or 65.



THE BEGINNINGS OF TREVECCA

Trevecca Nazarene College is the official college of the Church of the Nazarene in the Southeastern United States. It is the outgrowth of a training school for Christian workers established in 1901 by the Rev. J. O. McClurkan. In 1910 the curriculum was broadened to provide Christian education for laymen as well as ministers. This reorganization resulted in a charter granted to Trevecca College. The name Trevecca was taken from an institution in Wales of the same name established during the Wesleyan Revival of the 18th century.

In 1914 the College was moved from downtown Nashville to a site on Gallatin Road in East Nashville and in 1935 was established at its present site facing Murfreesboro Road in southeast Nashville.

During these intervening years changes have occurred both in added facilities and in the academic program. Notable changes include: major acquisitions of land and improvements in the physical plant; discontinuance of the high school and other sub-college curricula; an expanded four-year senior college curriculum in the Liberal Arts and Sciences with the first four-year graduating class in 1942.

Governing the College is a Board of Trustees elected by the several districts of the Church of the Nazarene which comprise the Southeast Educational region: the Alabama, Central Florida, East Tennessee, Georgia, Kentucky, Mississippi, North Carolina, North Florida, South Carolina, Southern Florida and Tennessee districts.

While Trevecca is an institution of the Church of the Nazarene, it is nonsectarian and welcomes students of any religious affiliation who subscribe to the ideals of the College and who qualify under its standards. The College is open to students of all races and national origins.

MISSION STATEMENT

Trevecca Nazarene College is a Christian liberal arts college which exists to prepare students for a life of meaningful service in various vocations through quality educational programs. These programs combine liberal arts, career and professional education, and Christian values in the development of each student. It seeks to prepare competent, responsible, and caring graduates with personal integrity and high moral character. The College desires that its students come to a personal relationship with Christ as a basis for this life of service.

The College is an institution of the Church of the Nazarene and is guided by its doctrines and principles of conduct. It emphasizes the authority of the Bible and Christian holiness in the Wesleyan tradition. The College seeks to meet the educational needs of the Church through undergraduate, continuing education, and special programs.

Agreed Statement of Belief:
Church of the Nazarene

1. In one God - the Father, Son, and Holy Spirit.
2. That the Old and New Testament scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
3. That man is born with a fallen nature and is, therefore, inclined to evil, and that continually.
4. That the finally impenitent are hopelessly and eternally lost.
5. That the atonement through Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
7. That the Holy Spirit bears witness to the new birth and also to the entire sanctification of believers.
8. That our Lord will return, the dead will be raised, and the final judgment will take place.

INSTITUTIONAL GOAL STATEMENTS

ACADEMIC GOALS

1. To select, develop and retain professionally competent Christian faculty members.
2. To provide a quality educational program that integrates liberal arts, career and professional education, and Christian values in the total college experience.
3. To train students for active leadership and service in the church and community.
4. To provide adequate learning resources and support systems which assist students in achieving their academic and career goals.
5. To develop and maintain a viable Continuing Education program including a graduate program.
6. To assist students in the learning process by a variety of teaching methods, an expectant learning environment, and a recognition of the various learning styles.
7. To develop a continuous program of institutional research, planning, and evaluation based on the mission and goals of the College.

STUDENT DEVELOPMENT GOALS

1. To encourage students to come to a personal relationship with Jesus Christ and develop a Christian value system as a basis for their service and lifestyle.
2. To promote academic excellence in the context of total student life programming.
3. To promote the development of each student in a healthy self-concept by providing activities and programs designed to enhance the dignity and self-worth of the student.
4. To develop students with responsible personal behavior and self-control.
5. To develop students with a compassionate spirit and sensitivity to the rights and needs of others.
6. To assist students in developing life-long patterns for health and physical fitness.
7. To encourage and develop in our students a positive, healthy, and biblical understanding of marriage and the family.

BUSINESS MANAGEMENT GOALS

1. To develop adequate financial resources and maintain sound business management that will ensure the financial stability of the college.
2. To provide financial assistance to needy students in achieving their academic and career goals.
3. To improve the physical facilities of the campus including necessary renovations and additions.
4. To maintain good business policies and procedures that will ensure improving quality and efficiency of operation as well as a high level of morale.

CHURCH RELATIONS AND DEVELOPMENT GOALS

1. To establish an enrollment development program that will aid in recruitment and retention.
2. To utilize Foundation and other Grant sources for the college.
3. To maintain the college's historical relationship to the Church of the Nazarene and to publicize the close relationship of the mission of the Church with that of the College to maximize the support of the constituency to the College.
4. To foster the development of Alumni involvement and support for the college.
5. To establish an active endowment program to insure the long-term financial stability of the college.

TREVECCA HAS EDUCATIONAL GOALS FOR STUDENTS

Trevecca Nazarene College seeks to develop a graduate who:

Has confronted himself or herself on an individual personal basis and is aware of his or her own values and commitments which will include a personal encounter with Jesus Christ and the discovery of the perspective which life in Christ can give to all learning, vocations, and life itself.

Is a lifelong learner who has acquired the reflective thinking skills necessary for actively seeking and using knowledge.

Understands the artistic and aesthetic dimensions of culture.

Demonstrates sensitivity to the values and needs of others by confronting contemporary social-moral issues and becoming involved in their solutions.

Comprehends the relationships of human life to the physical and social environments.

Has developed an effective style of communication.

Demonstrates physical skill and vigor in recreational activities.

Has developed through experiences with the world of work an ability to fill a productive role in society.

Demonstrates proficiency in at least one academic discipline.

Comprehends the Christian heritage and its relevance to the community, within a Wesleyan context.

CAMPUS BUILDINGS

McKAY HALL (1937), was named after Lula May Tidwell McKay who was a missionary to India. The building known as McKay Hall was one of the three original buildings on the campus when it was purchased in 1937. In 1954 McKay was partially destroyed by fire and was rebuilt in 1955. The former dormitory presently houses the campus print shop and storage rooms.

SMITH HOUSE (1939), originally on the site where the library now stands, was formerly the President's Home. The house was moved to its present location behind McKay Hall in 1960. The building was named after Donnie Joel Smith, a student killed by lightning the day before his graduation from Trevecca in 1959. Smith House now serves as the residence for a campus employee.

McCLURKAN HALL (1943), was named after the founder of Trevecca, Rev. J. O. McClurkan. Completely renovated in 1981, the building houses the Eva Green Benson Auditorium used for Chapel and other religious services, classrooms, post office, bookstore, and student government offices.

ADMINISTRATION BUILDING (1944), is on the site of one of the three buildings purchased in 1937. The original structure was destroyed by fire in 1943, and the building was rebuilt one year later. Remodeled in 1965, the Administration Building now houses the offices of the President, Development, Church Relations, Academic Dean, Dean of Students, Business Manager, Registrar, Admissions, Financial Aid, Alumni, Word-processing Center, Student Employment, and the President's Conference Room.

TIDWELL FACULTY CENTER (1947), Tidwell Hall was built for use as a men's dormitory. The building was named in honor of the first student to enroll at Trevecca in 1901—Rev. W. M. Tidwell, a long-time pastor of Chattanooga First Church of the Nazarene.

In 1974 Tidwell Hall was remodeled into a Faculty Center which now houses the majority of faculty offices, faculty conference rooms and lounges. Security offices are in the basement as well as the radio station.

WAKEFIELD FINE ARTS BUILDING (1954). The November 1975 Founder's Day activities included the naming of the Fine Arts Building after Mr. A.C. Wakefield, a longtime song evangelist, for his contribution to church music. It houses classrooms, the 225 seat Wakefield Auditorium, band and choral practice rooms, private music practice rooms, and faculty offices.

BUD ROBINSON STUDENT CENTER (1954), was named after "Uncle Buddy" Robinson who was a pioneer evangelist in the Church of the Nazarene. The building was remodeled in 1965 to house the 250 seat cafeteria on the main floor while providing resident housing for women on the second floor.

MACKEY LIBRARY (1961), was named after Dr. and Mrs. A.B. Mackey in recognition of their long years of dedicated service to the college. In addition to its 161,006 accessions, the library also houses the library staff offices, curriculum library, learning resources center, audio-visual, archives, and special collection rooms

THE PRESIDENT'S HOME (1963), is the home of our President and his wife, Dr. and Mrs. Homer J. Adams.

JOHNSON HALL (1963), was named after Sadie Agnew Johnson and serves as a residence hall for 100 women as well as housing the Snack Shop and game area.

GEORGIA HALL (1966), was built as a residence hall for 120 women and includes the student dispensary and nurse's quarters. Georgia Hall was named for the Georgia District in recognition of their Educational Budget being paid in full during 1966.

WISE HALL (1966), is a residence hall for 48 men. The building was named in honor of Rev. H.H. Wise, a longtime pastor of Nashville First Church and a strong, loyal supporter of Trevecca.

TENNESSEE HALL (1966), was named in recognition of the Tennessee District for their Educational Budget being paid in full in 1966. It serves as a residence hall for 100 women.

SCIENCE AND BUSINESS BUILDING (1969), houses the science, business, math, and allied health departments as well as laboratories, classrooms, and faculty offices.

PHYSICAL EDUCATION CENTER (1969), includes a gymnasium, olympic swimming pool, handball courts, exercise rooms, a number of classrooms, locker rooms, and faculty offices.

REDFORD & SHINGLER APARTMENTS (1971). Redford Apartments were named after Rev. and Mrs. M.E. Redford who gave longtime service on the Trevecca faculty. The Apartments contain 30 one-bedroom apartments for married student housing.

The 20 one-bedroom apartments of Shingler Apartments for married students were named after Mr. T.J. Shingler who was the founder of Southeastern Nazarene College in 1912. The college eventually merged with Trevecca in 1919.

BUSH APARTMENTS (1973), were named after Miss Carrie B. Bush, a loyal friend and benefactress of the college. The 10 two-bedroom apartments are for married students, faculty, and staff housing.

BENSON HALL (1974), was named in recognition of Mr. John T. Benson, Sr. and Dr. John T. Benson, Jr. for their loyal support of Trevecca. Benson Hall serves as a residence hall for 266 men. Within the building is a laundry room, game room, and day room.

TREVECCA HEALTH CARE CENTER (1976), has been built by a general partnership which includes Mr. T.E. Jones, Mr. Don Jernigan, and Mr. Robert Whitcomb. The 2½ acre site was made available by the college. Trevecca Health Care Center is a 250 bed, five story, $4,000,000 facility which provides Medical Allied Health training opportunities as well as job possibilities for students.

MAINTENANCE BUILDING (1982), houses offices and equipment for maintenance, grounds, and janitorial services.

GUEST HOUSE (1982), includes seven rooms for guest or over-flow student housing.

LECTURESHIPS

John T. Benson Lectures

In memory of the late John T. Benson, Sr., long a supporter and benefactor of Trevecca Nazarene College, his son, John T. Benson, Jr., has provided a fund which makes possible each year a special series of lectures with an evangelistic emphasis. Recent past lectures have included Rev. Jim Bond, Chaplain and Professor of Practical Theology, Nazarene Bible College ('81); Dr. Elmer F. Schmelzenbach, Missionary, Church of the Nazarene ('82); Rev. Jim Diehl, District Superintendent, Nebraska District Church of the Nazarene ('83).

The Staley Distinguished Christian Scholar Lectures

Since 1947 the Student Council has sponsored an annual lecture series by a layman aimed at providing inspiration in various fields of cultural and professional interest. The Thomas F. Staley Foundation of New York began funding these lectures in 1972 and in 1976 provided an endowment for funding these annual lectures. Recent lectures have been, Dr. Harold O.J. Brown, Professor of Systematic Theology, Trinity Evangelical Divinity School ('81); Dr. Rob L. Staples, Professor, Nazarene Theological Seminary ('82); Dr. W.E. McCumber, Editor, *Herald of Holiness* ('83).

Slonecker Business and Professional Lectures

William T. Slonecker, M.D., has provided an endowment for annual lectures and/or seminars in business, science, and the professions. The first lectureship was presented during the 1972-73 school year. Dr. Howard Hamlin, missionary medical doctor from Swaziland, Africa, was the lecturer. Recent lectures have been Dr. Paul H. Gray, Dentist, Ashland, Ky. ('81); Dr. Leslie Parrott, President, Olivet Nazarene College ('82); Dr. Bob Benson, Sr., Writer-Lecturer, ('83).

The David K. Wachtel Lecture Series on Evangelism

Dr. David K. Wachtel, Sr. (1911-1977), the founder of this lecture series, served in the Nazarene denomination as an evangelist and a pastor, and eventually as the District Superintendent of Tennessee. Throughout his life he worked to promote the cause of evangelism; it was his hope that these lectures would continue for many years to make people aware of the importance of our evangelistic mission in this world. The Wachtel Family established a fund to underwrite this annual series. Recent lecturers have been Rev. Harold B. Graves, District Superintendent, Southwestern Ohio District Church of the Nazarene ('81); Rev. W. Talmadge Johnson, District Superintendent, Tennessee District Church of the Nazarene ('82); Dr. Edward F. Cox, Chaplain, Mount Vernon Nazarene College, ('83).

ALUMNI ASSOCIATION

The Alumni Association, which has chapters scattered throughout the world, is designed to maintain and foster graduate and former student involvement in the life of the college.

The Director of Alumni Relations coordinates the annual drive for funds and alumni participation in Homecoming activities and Alumni Day. The All Star Club, an athletic booster club, is an auxiliary organization of the association.

TREVECCAN is the official publication of the college and conveys information about the college to constituents and alumni. Published approximately six times a year by the Public Information office, it includes the former *Alum' News.*

COLLEGE SERVICES

Religious Life

Trevecca places special emphasis on the development of the religious life. Classes are regularly opened with prayer. There are chapel services four days a week. Students are required to attend three of the four services. These periods include class chapels and student-government directed chapels as well as regular worship services. Prayer meetings and regularly scheduled revival meetings provide helpful spiritual influences. All students are expected to attend a local church regularly.

The Christian Workers Association provides students with opportunities for Christian service in hospitals, missions, workhouses, jails, and other institutions, and Project JOY ministers to the neighboring community.

A Prayer Chapel, for private meditation, is provided in McClurkan Hall.

COUNSELING SERVICES

The college offers a wide range of counseling/advising services to its students. Any member of the faculty, administration or staff is willing to be available to a student who desires assistance.

ACADEMIC ADVISING

Every new freshman is assigned to a faculty-student advising team for the fall quarter. These groups meet regularly during the quarter to discuss scheduling of time, goal setting, study methods, values and other adjustment problems of new freshmen.

Students are assigned to academic advisors according to their choice of field of study. The Assistant Academic Dean provides assistance for students in academic difficulty.

Personal Counseling

The Office of Student Services provides a full time staff including the Dean of Student Services and Associate Dean of Student Services who are available to help students solve personal and social problems. The Resident Counselors and Resident Assistants in the dormitories also assist in this area. In addition, a professional counselor and a career planning counselor are available for appointment. The Director of Retention works closely with student needs. The college chaplain is available for counseling during regular office hours and at other times by special appointment.

Food Services

The Cafeteria is located in Bud Robinson Hall and is catered by Pioneer College Caterers, Inc. Its manager is trained in food services. Wholesome menus are provided through the company's staff of registered dietitians. In order to provide a good liaison with the boarding students, a food committee meets with the manager periodically to discuss ways and means of bettering the food services. All resident students are required to participate in the Boarding Plan.

A College Center is located on the ground floor of Johnson Hall which

serves as a lounge for students, faculty, and staff.

The Snack Shoppe, in the College Center, provides a wide range of fountain, short order and packaged items. Both indoor and outdoor tables are available.

Housing

All single students who do not live at home or with a close relative are required to live on campus. Exceptions for seniors and those over 21 years of age are granted by special permission of the Dean of Student Services and the Student Life Council. The Associate Dean of Student Services exercises general supervision over all of the residence halls. In addition, there are Resident Counselors and Resident Assistants in each dormitory. Councils are organized to assist in all matters pertaining to dormitory life and residence regulations. Dormitory regulations are stated in *Community Guidelines*.

Trevecca offers approximately 80 apartments for rent on or nearby campus for married students and other personnel. The majority are one-bedroom and two-bedroom unfurnished apartments in the Bush-Redford-Shingler Apartment complex. The Director of Housing in the Student Services Office can give more specific details regarding amount of rent, availability, and regulations.

Health Services

There is a staff member on duty daily who will administer first aid, make referrals to the registered nurse or campus physician, and handle insurance information and claims. Students should contact the clinic during office hours and dormitory Resident Counselors at other times. The nurse will also be available at specified times to administer medications. Students may bring to the clinic any injectable medications prescribed by private physicians with instructions for administration. The clinic will assist in securing doctor appointments for students. A clinical psychologist is also available by appointment.

Employment

The Director of Student Employment handles all matters relating to student work. Those desiring employment should request a job application form. Interviews for positions in various offices and other jobs should be arranged through the Director's Office which is located on the main floor of the Administration Building.

Post Office

The Post Office is located on the ground level of McClurkan Hall. All students are assigned individual mail boxes in the Post Office upon registration. Each student is responsible for securing his mail box combination and for all information sent through the mail. The Post Office is open from 8:30 a.m. to 4:30 p.m. Monday through Friday. On Saturday it is closed.

Library

The Mackey Library is to provide a place for quiet study and research. The library is open six days a week. The hours are posted for each quarter. During the week of final exams and the week preceding, hours are extended as needed. Also, hours are adjusted during weeks of scheduled college revivals. Books may be borrowed for a period of two weeks and may be renewed provided they are not in demand. Reserve books may be checked out for periods of two hours, two days, and one week.

Bookstore

The College Bookstore is located on the ground level of McClurkan Hall and is open Monday through Friday 8:30 a.m. to 4:00 p.m. Textbooks, paper, pencils, pens, and other necessary stationery supplies may be purchased there, as well as a limited supply of personal items such as greeting cards, toothpaste, school sweaters, shirts, and jackets.

STUDENT ORGANIZATIONS AND ACTIVITIES

Publications

Trev-echoes, the campus newspaper, is published at regular intervals each quarter. *The Darda* is the college yearbook which is published annually. Editors for both of these student publications are elected by the student body each year.

Student Government Assembly

The Student Government Assembly composed of the elected representatives of the Associated Students of Trevecca Nazarene College, serves as a liaison group between faculty and administration on the one hand and between student groups on the other. It supervises student activities including elections and class events. In cooperation with the Dean of Student Services, the Student Development Committee and the Lyceum Committee it plans programs for the school year. It nominates student representatives to serve as voting members of faculty committees. It publicizes the various honors and awards and in conjunction with the faculty Administrative Council selects persons and organizations to receive the various awards.

Religious Organizations

The major student religious organizations and a brief summary of their activities are as follows:

Religious Life Committee—is a direct subsidiary of the Student Government and coordinates the activities of all religious organizations.

Christian Workers Association—engages actively in practical religious activities each week. Students receive valuable experience and render invaluable service to persons in the jails, rest homes, and hospitals.

Ministerial Association—composed of ministerial students. To further their preparation for the Christian ministry, they assist in chapel services, invite special speakers for group discussion, take field trips to Nazarene Theological Seminary and other places, and assist students in preaching appointments.

Missions-In-Action—Students interested in the cause of world evangelism learn about the various fields through returned missionaries and general church leaders, and promote the spirit of missions on the campus. This group sponsors the Annual Missionary Conference.

Athletics

Trevecca's athletic program is divided into three basic areas: intramural societies, intercollegiate sports, and a student activities program in the afternoons and evenings in the Physical Education Center.

Intercollegiate Program, begun at Trevecca in the winter of 1968-69, includes basketball, baseball, and tennis for men and volleyball and tennis for women. The Intercollegiate Athletic Program is under the administrative leadership of the Dean of Student Services and the Intercollegiate Athletic Board (composed of faculty, administrators, and students) and is implemented by the Director of Athletics. Trevecca is a member of the Volunteer State Athletic Conference, the National Association of Intercollegiate Athletics, and National Christian College Athletic Association.

Intramural Program—Under the administrative supervision of the Director of Intramural Athletics and the immediate sponsorship of the Trevecca Intramural Association, it is composed of four societies which form the units of competition for both men and women. A year-long point system determines the society of the year. Sports included in the intramural program are football, basketball, volleyball, softball, handball, golf, ping pong, badminton, track, archery, and racquetball.

Student Activities Program—in the Physical Education Center during afternoons and evening, includes the use of the gymnasium, swimming pool, handball courts, exercise rooms, ping pong room, gymnastics, and practice range for archery and golf.

Cheerleaders—Cheerleaders are chosen by the Student Body and a board of judges for the Varsity Cheerleading Squad.

ACADEMIC ORGANIZATIONS

Scholastic Departmental Organizations—are organized to develop among students an appreciation for their intended profession. They are the Music Club, Speech-Pi Kappa Delta, Science-Mu Omega Sigma, and Student National Education Association.

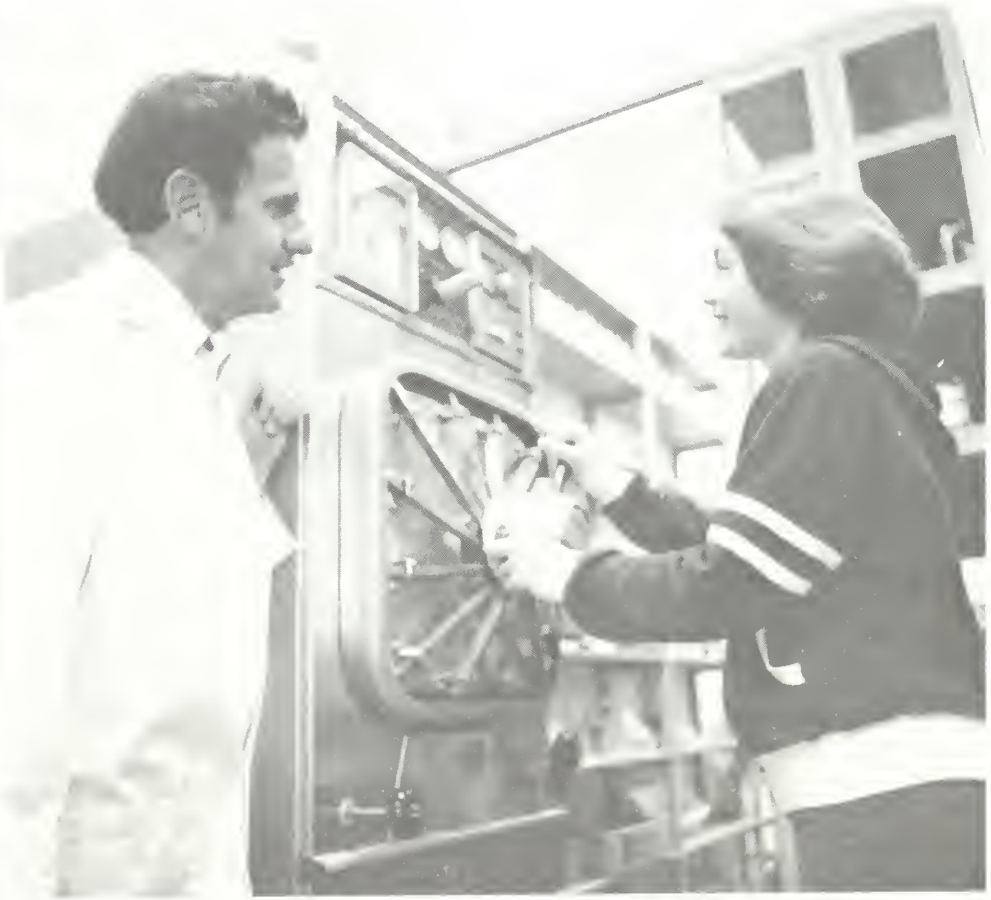
Music Organizations—These include the following performing groups: The Concert Band, Pep Band, Stage Band, Concert Choir, Ambassadors, TrebleTones and Choral Society. Music majors and minors are encouraged to belong to the Music Club.

WNAZ-FM—The college owned 1400 watt radio station serves s a training facility and provides religious and educational programming for the Nashville community.

Forensics Team—Trevecca students compete in a variety of intercollegiate speech contests. Traveling to three tournaments each quarter, the squad members go against speakers from top colleges across the nation. Award-winning performances by Trevecca speakers have won the college recognition at national championships. The team is sponsored by the Department of Communication Studies.

Lyceum Series—At least once each quarter, an outstanding program of cultural enrichment is presented. Nationally-known artists in various fields are invited to participate in these programs.

Honor Society—This society is composed of students (sophomores and above) who have a cumulative average of 3.5. Seniors with a cumulative 3.5 average or higher may be elected to the Zeta Chapter of the National Nazarene Society, Phi Delta Lambda.



CLUBS

Trevecca Intramural Association—This student organization maintains an active and interesting program of intramural athletics for both men and women. It is composed of four societies: Alpha, Beta, Delta, and Gamma. All students belong to one of these societies for purposes of competition and healthful recreation.

District Clubs—Students from the various districts of the educational zone often organize for the purpose of interesting other young people in attending the College, fostering an attitude of friendliness and goodwill between their districts and the College, and assisting in the entertainment of visitors from these districts.

Service Clubs—These include the Circle K, Civitans, Sigma Society and Civinettes which provide a stimulating and challenging outlet for various types of service both on and off campus.

Other Clubs—Other student organizations are chartered from year to year to serve special interest groups.

STUDENT CONDUCT

High standards of Christian conduct are expected of all students. The use of alcohol, tobacco, narcotics, possession or use of fireworks or firearms on campus, and loud or questionable conduct are prohibited. Students are not to attend or participate in entertainment, the nature or reputation of which would not be in keeping with the building of Christian character or which diminishes moral perceptivity and judgement.

The College expects its students to observe standards of dress as outlined in the Community Guidelines.

All students are permitted to bring a car to campus. However, all cars must be registered with campus security and are subject to the College's and Metro's Traffic Control regulations.

Attendance at Trevecca Nazarene College is both a privilege and a responsibility. The College may request the withdrawal of any student who fails to comply with the standards and regulations of the institution.

ADMISSIONS AND RECORDS

ADMISSIONS PROCEDURE

Applying for admission to Trevecca Nazarene College is a fairly simple procedure.

1. Write to the Admissions Office of the College for an application form. The address is: Office of Admissions, Trevecca Nazarene College, Nashville, Tennessee 37203.

2. The form should be completed and returned along with:

a. A $15 non-refundable admission fee. Dormitory students are required to pay an additional $20 room deposit which is refundable if the applicant withdraws prior to August 20 in fall quarter and 30 days prior to the beginning of any other quarter.

b. Each student must complete a confidential health form which will be sent to the Student Health Clinic. After forms have been reviewed, some students may be asked to come in for follow up medical evaluation. All information on the form will be maintained in strictest confidence by the professional medical staff.

c. Official certification of high school graduation. Full acceptance will be given when the College has received an official Certification of Graduation. Since many high school offices are closed during the summer, applicants should request the high school to complete Trevecca's Certification of Graduation or to forward his or her final transcript at the time of graduation.

3. The student is required to take the American College Test (ACT) available in local designated testing centers. The results will automatically be sent to the College if the student specifies Trevecca as his or her college choice. The ACT data base is used in academic advising and is the official academic documentation for admission.

4. Upon receipt of all information, and approval of a student's application, a certificate of acceptance is mailed to each applicant. Students not approved are also notified by letter. The certificate of acceptance must be presented at the time of registration.

The above procedure is followed by students wishing to register for the first time any quarter. Former students who have not been enrolled in the College the previous quarter must apply for readmission.

Re-Admission Procedure

Former students need to submit a Re-Admission form and should write to the Director of Admissions and advise him of their desire to re-activate their credentials. If they have attended other colleges after leaving Trevecca, official transcripts from each college attended must be sent to the Office of Admissions prior to registration.

Notice of Nondiscriminatory Policy as to Students

Trevecca Nazarene College admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the College. It does not discriminate on the basis of sex, race, color, handicap, national and ethnic origin in administration of its educational policies, admissions policies, employment, scholarship and loan programs, and athletic and other college-administered programs.

Admission of High School Graduates

Freshman admission requirements include graduation from an approved secondary school. The College is most interested in the general promise and quality of work of the applicant rather than in the completion of specific courses. It is recommended that for the best preparation for college, secondary school credits should include:

English — 4 units
Mathematics — 2 units
Foreign Language — 2 units
Natural Science — 1 unit
Social Science — 2 units

This background provides a broad foundation for college studies.

The College believes that all students who can profit from post secondary training should be given such an opportunity. Therefore admission to Trevecca is classified into two areas: Regular Admission and Admission through the Academic Enrichment Program.

Trevecca accepts as the official academic admissions document, the American College Test (ACT). The ACT is used for academic advising and placement and for determining the type of Freshman admissions granted.

Students with an ACT Standard Composite Score of 15 or above will be given Regular Admission.

Any student with an ACT Standard Composite Score below 15, AND an ACT Standard Score in English of 13 (or below), or in Math with 10 (or below), will be accepted through the Academic Enrichment Program (AEP).

Early Admissions Program

The high-achieving and mature students whose school officials, parents and others from whom the College may seek information, believe they can profit by entering college a year early may be admitted under the Early Admission program. To do so, these minimum requirements must be fulfilled.

1. Completion of the junior year in high school with a grade point average of 3.50.
2. Completion of at lest 12 units of secondary credit, 7 of which must be college preparatory subjects (including English, 3 units; mathematics, natural science and social science).
3. A Standard Composite Score of 26 on the ACT.
4. Provide favorable recommendations and/or approval from high school officials and others as may be designated by the Director of Admissions. If advisable, personal interviews may be requested. An applicant desiring high school graduation should ascertain from his or her high school officials whether or not college credits earned may be applied back for a high school diploma.
5. It is desirable and may be required that an applicant enter summer school to demonstrate ability to do successful college work. In such cases, a minimum of two courses would be carried and a grade point average of 2.00 necessary.
6. Completion of all regular admission requirements.

Pre-College Honors Programs

This is a special program planned for high school juniors who desire to in-

augurate their college work during the summer between their junior and senior years. The program is designed for students who rank in the upper 25% of their junior class and who are recommended by their high school principals or counselors.

Students in this program will be allowed to take regular college courses; credits received will apply toward a degree after the student has enrolled in the College full-time. In addition to the regular academic work, special conferences and activities will be provided under the guidance of the Dean.

Advanced Placement

Students who have participated in the Advanced Placement Program, sponsored by the College Entrance Examination Board while they are in high school, will receive credit if they earn a score of 3, 4, or 5. Trevecca Nazarene College's CEEB Code Number is 1809.

Credit For CLEP

For waiver of courses, scores for the College Level Examination Program will be evaluated by the registrar and credit assigned to the appropriate areas. Courses may be waived up to 45 hours credit, and if passed will be entered on the student's official transcript after attendance at Trevecca for one quarter. Payment for such credit received is paid for at a reduced tuition rate. Only the examination charge is made for students taking the examination and not passing it at a sufficient level to place it in the official transcript. Examinations must be taken by the beginning of the sophomore year.

The qualifying score must be 500 (English score of 610) and/or 50th percentiles in each area. CLEP credit awarded at other schools must also meet the above standard before received in transfer.

Admission to Physician Assistant Program

Enrollment to the professional program is limited. Candidates for the professional program must have completed two years of college work (56 semester hours or 84 quarter hours) and have completed the pre-requisites of general chemistry, anatomy, physiology, microbiology, medical terminology and psychology. Students will be required to complete all general studies requirements before receiving their degrees.

Any student may enroll in the pre-professional program or first two years of the program. Trevecca students in this portion of the program are required to make application for the professional program on completion of two years of college and completion of all required pre-requisites. Students taking their first two years at Trevecca have the advantage for selection of being better known by the faculty and members of the admissions committee. They also will have completed all general studies requirements for graduation prior to entering the professional program. Enrollment in the pre-professional program does not assure admission to the professional program.

Transfer from Other Colleges

Students from other institutions seeking admission to advanced standing in the College must present evidence of honorable dismissal from the institution last attended and official transcripts of all college work taken. Students with less than 15 transferable quarter hours will need to follow the admission requirements for high school graduates.

Grades of D on transfer work will be accepted with the following qualifications: (1) Policy will be enacted for students entering Fall, 1981. Policy is not retroactive. (2) A transfer course in which a D has been earned will not be allowed to count toward a major or minor. (3) Students who transfer a D grade in a course equivalent to ENG 1020—English Composition I will be subject to the requirement of taking English 1050 unless they have also completed the equivalent of ENG 2010—Critical Writing and Research. (4) Policy will apply only to work transferred from regionally accredited institutions of higher learning. Students from junior colleges may generally transfer only 96 quarter hours.

Transfer From Non-Accredited Colleges

After one quarter of satisfactory work at Trevecca, a student may have credits earned at a non-accredited college reviewed for acceptance as a basis for advanced standing. The normal procedure is to require a statement from three accredited colleges that have previously accepted credits earned from the non-accredited college. Evaluation of courses will be made on an individual basis. No credit will be given for courses below **C**, and courses must parallel course offerings at Trevecca Nazarene College. Only hours earned (not grades or g.p.a.) will transfer. A committee composed of the Registrar, Dean of the College and the student's Department Chairman will review the work at Trevecca and transfer credit for a final determination of credit hours.

EVA GREEN

Admission from Bible Colleges

Trevecca Nazarene College will accept up to 144 quarter hours credit for courses with grades of C or above from Nazarene Bible College and other Bible Colleges accredited by the American Association of Bible Colleges. In addition to credits accepted, students must meet all requirements for graduation at TNC, including general education requirements and departmental requirements.

Admission of International Students

Trevecca welcomes students from other lands. Applicants whose native language is not English are required to take an examination of their English-language ability before official acceptance will be granted. The test required is the Test of English as a Foreign Language (TOEFL), and a score of 450 is acceptable.

All regular admission requirements must be completed. A non-refundable fee of $15 must be submitted with the application. Trevecca's certificate of support must be on file at the time an I-20 is issued. International students will have the same financial policy applied to them as any other student. In addition a $1,000 deposit is held in escrow for the total period of enrollment. The deposit must be received prior to the issuance of the acceptance card which is required for registration. Unless there is documented proof of reading, writing and math skills, international students will be required to register for academic enrichment courses.

Admission of Non-High School Graduates — GED

Applicants who are at least 19 years of age and whose class has already graduated may be admitted on the basis of a score of 45 on the USAFI Test of General Educational Development (GED) High School level. Transcripts of all high school work must be submitted. Applicants who are granted college admission on this basis must take the placement tests given to freshmen and do any additional work indicated by these test scores.

SPECIAL STUDENTS

Adult (Degree Students)

Applicants who are 18 years of age or older and do not have a high school diploma or a GED score of 45 may be admitted to the provisional Adult Special program, which allows the student one or two quarters to prove his/her ability to do college-level work. The student will be limited to 12 hours of course work per quarter and must maintain a 2.0 GPA the first quarter to be allowed to enroll for the second quarter. On completion of two quarters (24 hours of credit) with a 2.0 GPA or better, the student may petition the Admissions Committee for status as a regular student. If this is granted, all credits earned as an adult special student may be counted toward a degree at Trevecca.

Adult (Non-Degree Students)

Applicants who are 18 years of age or older and who do not wish to pursue a

degree program may be admitted as adult special students to take occasional courses for personal enrichment. A maximum of 24 quarter hours may be earned in this status.

High School Students

High school students, upon recommendation of the high school principal or counselor will be accepted as special students for individual classes. Credits received will apply toward a degree after the student has qualified for admission to the college.

Dual Enrollment

High school seniors upon recommendation of the high school principal or counselor may be granted dual enrollment admissions during the senior year in high school. It will be required that before dual admissions is granted, the applicant must take the American College Test and have the scores sent to Trevecca. Such students may take college classes while completing their high school diploma.

Transient Students

Students enrolled in another college or university who wish to take courses at Trevecca must have a "letter of good standing" sent to the Office of Admissions at TNC each quarter from the Academic Dean of their present institution. If the letter designates a period for enrollment longer than one quarter, a quarterly letter will not be required.

Freshman Orientation and Testing

The pre-registration orientation (see dates in calendar) includes the testing program, group guidance sessions, personal counseling regarding curriculum, and social, recreational and religious events. Students who have not taken the ACT test previously will be required to arrive on campus earlier to take the test at a charge of $12.00. Freshman Studies (INT 1000) is required of all freshmen entering in the fall term.

FINANCIAL AID DIVISION

FINANCIAL INFORMATION

Trevecca Nazarene College is an institution of the Church of the Nazarene. Charges at Trevecca are maintained at a level commensurate with the cost of a quality educational program. Each student is charged tuition and certain fees which cover approximately 2/3 of the cost of the student's education. The remaining 1/3 comes from the generous support of the Southeastern Region of the Church of the Nazarene and individual and corporate contributions.

METHODS OF PAYMENT

All charges are due and payable at the time of registration at the beginning of each quarter. If a student cannot pay all charges at registration, satisfactory payment arrangements must be made with the Business Office during the first seven days of the quarter. Satisfactory payment arrangements are as follows:

1. A minimum of Tuition and General Fee must be paid in cash, check or pre-determined loans and grants at registration.
2. The balance of charges must be paid in two equal installments which will be due on the following dates:
   Fall Quarter: September 30 and October 30
   Winter Quarter: January 30 and February 28
   Spring Quarter: April 20 and May 20
   Summer: In full at registration
   Mini-term: In full at registration

A one percent (1%) interest charge is added at the end of the month to any unpaid balance which is at least thirty (30) days old. Each quarter must be paid in full before registering for a new quarter. Any financial agreements between the College and its students will be binding only if such agreements are in printed or written form. Any student who has become delinquent through failure to make payment or proper financial arrangements, may be disenrolled until such matters are satisfactorily resolved with the Business Office.

No degrees or certificates will be awarded and no transcript of credits will be issued until all financial obligations to the College are discharged in full. All sales in the bookstore are to be in cash or check. The College reserves the right to make financial changes for tuition, room, board and fees between times of publication of the catalog.

Refund Policy

For students dropping out of school, or dropping a course, the following refund policy is in effect for tuition, fees,* and room until the end of the 4th week.

1st Week**	90%	3rd Week	50%
2nd Week	75%	4th Week	25%

After the 4th week no refund on tuition, fees and room.

Board is returned on a pro-rated basis. No deposit or credit balance will be refunded unless all financial obligations to the College are satisfied, including Married Student Housing.

When sufficient space is available, a non-enrolled student may remain in college housing for one additional quarter. Approval must be granted by the Student Services Office and completed by making satisfactory financial arrangements with the Business Office. Permission will be contingent upon paying (1) a partial activity fee of $40.00, (2) full board, and (3) full room cost. Full payment is due at the beginning of the quarter.

When a student is due a refund according to the refund policy, and Title IV assistance programs are involved in helping the student meet the cost of attendance, the financial aid administrator uses a simple fraction to determine the amount of the Federal portion of the refund that would otherwise return to the student.

The fraction is as follows:

$$\frac{\text{total Title IV aid (minus work earnings)}}{\text{total student aid package (minus work earnings)}}$$

The resulting fraction is applied to the institutional refund, and the resulting amount is that portion of Title IV funds to be returned to the Title IV program(s).

The allocation procedures for treating refunds are as follows: First priority is to return a portion of the refund to NDSL, second priority to SEOG, third priority to FISL or GSL, fourth priority to Pell Grant, and fifth priority to TSAC not to exceed the amount disbursed to such student for such payment period.

*No portion of the general fee is refunded after the 1st week of classes.
**Begins with Monday of week classes begin.

FINANCIAL AID

Trevecca Nazarene College offers a comprehensive program of financial aid in the form of scholarships, grants-in-aid, loans, and part-time employment. A student must be fully admitted to the college before an award will be made.

The financial aid program at Trevecca serves a two-fold purpose: (1) to recognize overall academic scholarship and outstanding achievement in specific areas and (2) to assist students who find it difficult or impossible to attend college without financial help.

Student Aid is administered in conjunction with a nationally established philosophy which is based on the belief that parents are the primary resource for helping students to meet educational expenses. The student's assets also should be considered. Financial Aid becomes a bridge to fill the gap between the student's potential resources and college costs.

To determine need, the College utilizes the services of the American College Testing Program.

Family Financial Statement

All students seeking financial assistance (except those applying for Academic Scholarships only) are required to submit a copy of the Family Financial Statement to the American College Testing Program designating Trevecca Nazarene College as one of the recipients. Forms are available through high school guidance offices or from Trevecca Student Aid Office. Trevecca's ACT code number is 4016. (The Financial Aid Form is also acceptable. Trevecca's FAF code is 1809). This form serves as your application to the

Financial Aid office for all financial aid programs.

Deadlines

Applications should be submitted in the early spring for the following fall. Aid is awarded on a rolling basis, first come-first served, with April 15 serving as a priority date. The later you file, the less your chance of getting aid. Only one application is required to determine your eligibility. If you are a resident of Tennessee, the application will also determine your eligibility for a Tennessee Student Assistance Award. Begin in February or March, whenever possible.

A family's ability to contribute may fluctuate from year to year. Therefore, awards are made for one academic year only. Each applicant must submit a family financial statement annually. The processing of the Family Financial Statement takes approximately six weeks at peak periods. All inquiries and requests should be directed to the Financial Aid Office.

Satisfactory Progress for Financial Aid

Students must receive satisfactory grades (A, B, C, D, S, IP) in 9 hours if taking 12 or more hours, in 6 hours if taking 9-11 hours, in 6 hours if taking 6-8 hours and must meet retention standards for cumulative grade point average as well. Failing to meet the standards listed above places a student on financial aid probation for one quarter. He/she may be removed from probation the next quarter if he/she completes at least 6 hours with satisfactory grades. Students may be removed from financial aid (1) if he/she fails to be removed from financial aid probation or (2) without a probation period any quarter he/she receives all F's, U's, W's, or I's (or any combination of these). Students may have financial aid reinstated by enrolling in Trevecca for one quarter, for at least six hours, without financial aid and meeting the satisfactory progress standard stated above.

SCHOLARSHIPS

Trevecca Nazarene College offers a number of scholarships annually in recognition of outstanding scholastic achievement. These scholarships are made for the period of one academic year (fall, winter, and spring quarters) and are distributed in three payments. A student may receive only one academic scholarship at a time. Academic scholarships are not granted to students who have already earned a bachelor's degree, or who do not attend full time.

Trevecca Scholars

The freshman, sophomore and junior with the highest grade point average in his/her class shall be recognized as a Trevecca Scholar. The three class scholars shall receive $1500.00 maximum grants (tuition only). The Scholarship Committee will select recipients.

President's Scholarships

A $1000.00 scholarship is available to incoming freshmen who have a standard composite score of 28 or above on the American College Test (ACT). The College must receive this report directly from ACT. Students must apply for this scholarship.

A $750.00 scholarship is available to incoming freshmen who have a standard composite score of 25 to 27 on the ACT. Students must apply for this scholarship.

A $500.00 scholarship is available to incoming freshmen who have a standard composite score of 23 to 24 on the ACT. Students must apply for this scholarship.

Dean's Scholarships

A $1000.00 award will be made to students who attain a 3.90 GPA for 3 consecutive quarters provided they are progressing from one class level to the next.

A $750.00 award will be made to students who attain a 3.70 GPA for 3 consecutive quarters providing they are progressing from one class level to the next.

A $500.00 award will be made to students who attain a 3.50 GPA for 3 consecutive quarters and progress from one class level to the next.

Students must apply to be considered. Transfer students are eligible for the Dean's Scholarship if they meet the specified requirements.

National Merit Finalist

A scholarship of $1000.00 will be awarded to all National Merit Finalists who designate Trevecca as their college choice. This scholarship will be divided equally into three payments and will be renewable if a GPA of 3.9 is achieved.

Freshman Leadership Scholarship

Up to three $500.00 Leadership Scholarships will be awarded annually. These scholarships are to be for incoming Freshmen who have established academic excellence in high school, been involved in leadership activities in high school and/or church or civic groups, but slightly missed the President's Scholarship based on the ACT Test results. Apply to the Director of Admissions. A special committee selects the recipients from the pool of applicants.

Departmental Scholarships

A limited number of scholarships are awarded annually to students of exceptional ability in the various departments. Recommendations are made by the Department Chairperson and approved by the Scholarship Committee.

Accounting

Gerald D. Skinner, CPA, has provided an endowment for an annual scholarship to be awarded to a regularly enrolled junior or senior student satisfactorily pursuing an academic program in the field of accounting.

Allied Health

A limited amount of dollars are available through the Logan-Matthews Physician's Assistant Scholarship. The Department is endeavoring to increase these funds annually.

Education Faculty Scholarship

One scholarship is awarded annually (amount varies) by members of the Education faculty to an enrolled freshman, sophomore, or junior from the Early Childhood, Elementary Education, or Special Education Department. The scholarship will be presented annually in the Awards Chapel service.

Religion

Currently there are three scholarships made available, annually, to a junior or senior majoring in Religion. The recipient is chosen by the Faculty within the Department of Religion and approved by the Scholarship Committee.

Leon and Marie Cook Scholarship Fund

This award is in honor of Rev. & Mrs. Cook and is for $500.00. It always goes to a Senior, and is divided into three equal payments. The recipient is chosen during the Spring Term and announced for his/her Senior year, beginning in the Fall.

George Coulter Senior Sermon Award

A continuing grant which provides a $100 award and a plaque given to the Trevecca Senior who is chosen to be the recipient. This program is administered jointly through the Communication Studies and Religion Departments.

Anthony Lynn Holmes Bible Reading Award

A continuing grant which provides a $100 award and a plaque given to a junior or senior as a Bible Reading Award (oral interpretation of Scripture). This program is administered by the Department of Religion.

Jernigan Ministerial Scholarship

Funds have been made available by Dr. Don Jernigan to provide up to six $500 awards to students preparing for the ministry. Recipients will be chosen by the Scholarship Committee, in consultation with the Department of Religion.

Pastor's Scholarships

This scholarship is available to incoming Freshmen or first time students at Trevecca Nazarene College. It is awarded by the individual churches who have paid their educational budgets in full. It is entirely up to the church to decide who receives this scholarship. The scholarships, if not used the preceding years, are good up to three years. The awards certificate is available at your local church office. The certificates are not transferable to any other church.

A. B. Mackey Memorial Scholarship

A fund was established by the Alumni Association to perpetuate the memory of A.B. Mackey, who gave 46 years of service to Trevecca - 26 years as President. Interest from this fund allows a limited number of scholarships to be given annually.

Lillie Nielsen Scholarship

Raymond A. Nielsen contributed an Indian Relics Collection valued at $48,000 to be used in the establishment of a scholarship in memory of his mother. The interest earned by the Lillie Nielsen Scholarship fund is awarded annually to worthy students.

Pate Bible Class

The Pate Bible Class of First Church of the Nazarene, Nashville, Tennessee, provides funds for assisting one student, annually, who is preparing for Christian service.

SPECIAL SCHOLARSHIP FUNDS

Funds have been made available for scholarships to worthy students of Trevecca by friends interested in Christian higher education. In some cases the funds bear the names of the donors; others are given in memory of relatives or friends. Each fund has its own established criteria which is available from the Student Financial Aid Office.

Among these programs are:

Mrs. J.H. Cate Memorial Scholarship Fund
J.F. and Dolly Dunlap Scholarship Fund
Mr. and Mrs. Quincy E. Powell Memorial Scholarship Fund
M.H. and Joyce Stocks Scholarship Fund
Gregg Anderson Broadcasting Scholarship Fund
Nathan Baker Scholarship for the Blind
Great Common-Wealth Life Insurance Co. Scholarship
Eastman Kodak Co. Foundation Scholarship
General Board World Area Scholarship
Jeff Spahr Memorial Baseball Scholarship

GRANTS-IN-AID

Grants are a form of gift aid awarded on a non-repayable basis.

INSTITUTIONAL

Assistantships (Departmental)

The College offers a limited number of assistantships annually to students of exceptional ability in the various departments. Recommendations are made by the Department Chairperson and approved by the Academic Dean.

Athletic Grants

Grants for Intercollegiate Athletics are awarded to students who assist in the P.E. program. Applications for this type of assistance should be made to the Athletic Department. Awards are made through the Student Aid Office and become part of the "financial aid package."

Music, Forensics, and Radio Awards

A limited number of awards are made annually to Music, Forensic, and Radio students upon recommendation of the Music Department, the Director of Forensics, and the Director of Radio Broadcasting.

Student Government

Awards are made to officers of the Student Government and editors and business managers of student publications.

Nazarene Youth International Grants-in-Aid

Funds are provided by some district

Nazarene Young People Societies of the Southeast Educational Zone to assist needy and qualified students from their district who attend Trevecca Nazarene College. Conditions under which these grants are awarded may be obtained by corresponding with the District N.Y.I. presidents. The award is made through the Financial Aid Office of the College.

GOVERNMENTAL

PELL (Basic) Grant Program

The Pell (Basic) Grant, funded by the Federal Government, presently ranges in value from $200 up to $2100 depending on need. Applications are available from the high school guidance counselors, the Trevecca Financial Aid Office, and other public facilities.

Supplemental Educational Opportunity Grant

The SEOG is funded by the Federal Government. This grant is made available to students with financial need and is always part of a financial aid package in accordance with Federal regulations. The duration of student eligibility (enrolled at least half time) is for the period required for the completion of the first undergraduate bachelor's degree. Students applying for the SEOG must demonstrate academic or creative promise. Awards will range from $200 to $2000 annually.

The Tennessee Student Assistance Award

The State of Tennessee has appropriated limited funding to assist Tennessee residents with Awards from $100 to $900. Awards are made by the Tennessee Student Assistance Corporation and are based on need. A family financial statement is required. Applications for this program are available from high school guidance counselors, the Trevecca Student Aid Office, or the Tennessee Student Assistance Corp., B-3, Capitol Towers, Suite 9, Nashville, TN 37219. The priority deadline for making application (including a completed Family Financial Statement) is May 15. Applicants are urged to have their information in the mail by early April. The ACT code for Tennessee Student Assistance Corporation is 4015.

LOANS

National Direct Student Loan

The National Direct Student Loan Program provides money to students with established need at a low interest rate and long term repay. The loans bear no interest to the borrower until six months after graduation or interruption of study; then the interest rate is 5% of the unpaid balance. The minimum monthly repayment is $30.00. Repayment may be deferred up to three years for Armed Forces, Peace Corp, Vista; full-time graduate study; volunteer service in a private nonprofit, Vista or Peace Corps type organization; service as an officer in the U.S. Public Health Service Commissioned Corps; temporary total disability; and service in an internship preceeding a professional practice. A new 6-month grace period is provided after statutory deferment periods. Cancellation of a portion of this loan is possible under certain conditions.

Guaranteed Loan Program

Each state has educational loan programs at low interest charges. Entering freshmen are urged to see their guidance counselors or their local bank for further information. Others should check with their local bank or inquire at the Financial Aid Office. In some states the United Student Aid Funds, Inc. is the guaranteed loan program.

Pickett and Hatcher Educational Loan Fund

This loan fund was created by the late Claude Adkins Hatcher of Colum-

bus, Georgia, founder of the NEHI Corporation. It is available through its trustees to worthy students who are unable to complete their education without financial assistance and who are enrolled in schools offering "broad liberal training" rather than "strictly professional" education.

SPECIAL LOAN FUNDS

Funds have been made available to create low interest loans for worthy students of Trevecca by friends interested in Christian higher education. In some cases the funds bear the names of the donors; others are given in memory of relatives or friends. Each loan fund has its own established criteria which is available from the Student Financial Aid Office. Among these programs are:

Alumni Loan Fund
Tony Holler Memorial Fund
Jacquelyn Beth Lee Scholarship and Loan Fund
Vashti Burnett McGraw Memorial Fund
Chilton Scholarship and Loan Fund
Gary Kinnamon Memorial Loan Fund
Bill Knowles Loan Fund
Erskine C. Key Memorial Fund
Fidellis Sunday School Class Loan Fund
Amanda Ferguson Ministerial Loan Fund
Winnie H. McFadden Missionary Loan Fund
Lula Williams Loan Fund

EMPLOYMENT

College Work Study Program

Federal funds are available at Trevecca to assist students who have established that they need part-time employment in order to pursue their college studies. CWSP jobs may be on campus or at an off campus non-profit agency. CWSP employment is determined by the student's need, skills, availability of funds, job vacancies, and willingness to work.

Campus Employment

A limited number of Trevecca funds are available for students who have established need and who do not qualify for CWSP. TNC campus employment is determined by the student's skills, availability of funds, job vacancies, and willingness to work.

Off-Campus Employment

The campus Student Employment Office will assist students in locating community work opportunities.

OTHER AID PROGRAMS

Social Security, the Veterans Administration and Vocational Rehabilitation. Students who feel that they may qualify under one of these programs should contact their local office or the Financial Aid office.

Monthly Payment Plans

Trevecca Nazarene College has authorized the use of the Tuition Plan, Inc., and the Insured Tuition Payment Plan. These programs advance quarterly checks to the college. Repayment may be extended to four or more years.

Benefits for Veterans

Veterans who have served on active duty since January 31, 1955, may be eligible for educational assistance under Public Law 94-502 and 95-202. Application should be made to the Veterans Administration regional office having custody of the veteran's file.

Public Law 634 and Public Law 90-631 provide educational assistance to (1) widow, sons, and daughters of deceased veterans who died while in service, or after discharge from a service-connected disability; and (2) wives, sons, and daughters of veterans who have service-connected disability considered to be total and permanent in nature. Application should be made to the Veterans Administration regional office having custody of the veteran's file.

Under the provisions of Public Law 894, veterans who, as a result of a

service-connected disability, require re-training or other vocational rehabilitation, may be entitled to educational assistance. Inquiry should be made to the Veterans Administration regional office having custody of the veteran's file.

Certificates of eligibility to be used at registration will be issued by the appropriate regional office of the Veterans Administration to those who are eligible for educational benefits. The Director of Student Financial Aid also serves as the campus Veteran's Coordinator.

Company Aid

Many employers have scholarships and/or loans for children of their employees. Parents should investigate this possibility.

GENERAL ACADEMIC INFORMATION

Academic Policies

The Academic Council, a committee of faculty, administrators, and students, is responsible for developing the academic policies of the College. The items listed below are an attempt to answer student questions concerning the most frequently asked items of academic information.

Classification

Students are classified at the beginning of each quarter on the basis of work already completed, as follows:
Freshman: Approved entrance credit
Sophomore: 45 hours college credit
Junior: 92 hours college credit
Senior: 140 hours college credit

Full Time: Students carrying 12 hours or more each quarter. Participation in intercollegiate athletics, college traveling groups and most financial aid programs require this minimum academic load.

Part-time: Students currently enrolled for fewer than 12 hours of work for college credit, with the exception of seniors who may lack less than that minimum load of meeting graduation requirements in the given year.

Registration

All presently enrolled students are expected to submit a pre-registration schedule of courses to the Registrar on assigned date prior to registration day winter and spring quarters. This schedule is made out by the student with the assistance of his major department head or assigned advisor and requires the signature of the assigned advisor. A late fee of $15.00 is charged for submission of the registration schedule after classes have begun.

The last day to add classes is five days after school starts in any quarter including the first day of classes. The last day to drop classes without a grade appearing is 5 class days after the first day of classes including the first day of class.

Summer School

The College operates on the basis of three quarters during the regular school year (September-May). In addition, a six week summer term is available with many of the regular courses taught at this time along with selected special course offerings.

December Mini-term

A two-week mini-term is scheduled each year the first two weeks of December for both regular and special courses which can be offered in a concentrated time period.

REQUIREMENTS FOR GRADUATION

Summary of Degree Requirements

The degree of Bachelor of Arts or Bachelor of Science is conferred upon successful completion of a major, at least one minor, and 68 hours of General Education courses. These General Education Core Courses have been selected to give a broad liberal arts training as a foundation to students majoring in any field.

The following provisions apply to all 4 year degrees:

The candidate must complete a total of at least 192 quarter hours of credit with a 2.00 grade point average.

The senior year must be taken in residence at Trevecca Nazarene College, with a minimum of 36 quarter hours.

A student is to graduate under the terms of the catalog at the time of his/her graduation, or the one immediately preceding.

The candidate must have completed a department approved major with an average of "C" or better in the major field. Any substitutions or waivers of listed requirements must be approved by department head.

The candidate must also present an approved minor or a second major. Careful selection of electives will allow a second major and expanded career opportunities.

The candidate is limited to a total of 48 hours of non-traditional credit such as ELP, CLEP, or military service on the degree program.

The candidate must take a minimum of 12-18 hours of courses in the major at Trevecca.

The candidate is limited to 16 hours of Directed Study on a degree program.

A candidate expecting to teach must meet certification requirements, under the guidance of the faculty advisor and the Director of Teacher Education.

A candidate must make application at the Registrar's office for graduation prior to December 1 preceding the graduation date.

A candidate must pay a graduation fee of $25.00 by May 1st of senior year, or if finishing prior to spring quarter, the

A candidate must submit to the Registrar a program for meeting graduation requirements by November 5 preceding the graduation date.

graduation application must be completed and fee paid (along with other financial obligations) before a transcript will be issued. An additional $5.00 charge will be made for remaking a diploma in the event the candidate fails to meet requirements before the specified graduation date.

All work must be completed (grades recorded in Registrar's Office) by August 31st.

A candidate is required to participate in Baccalaureate and Commencement exercises unless excused by the Dean of the College.

The candidate must meet the following General Education requirements.

GENERAL EDUCATION CURRICULUM

Rationale

The purpose of general education at Trevecca is to provide students with a common core of essential educational experiences from a Christian perspective which will prepare them to function effectively in their society. These experiences will include the development of communicating and computational skills, citizenship and consumer skills, physical fitness skills, the understanding of science and technology in the social and physical environment, the understanding of the western cultural heritage as conveyed by history, literature, philosophy, and the arts, and the understanding of the Bible and Christian doctrine in the Wesleyan tradition. An emphasis on values implications integrates these experiences in skill development and academic understanding.

OBJECTIVES

COMMUNICATIONS

To provide students with the opportunity:

- to develop skills in communicative assertiveness leading to improved relationships and higher self-esteem.
- to become an effective participant in public communication as both a speaker and a listener.
- to develop a heightened sense of personal awareness, increased understanding of how human behavior is influenced, improved ability in recognizing constructive behavior in oneself and in others, and enhanced interpersonal skill through experience and interaction with others.
- to learn how to write effective, well-

structured sentences, paragraphs, and whole compositions.

- to learn how to research and write effective papers of various designs, including the critical essay and the thesis paper.

CITIZENSHIP

To provide students with the opportunity:

- to develop a small number of basic concepts, ideas, principles, procedures, and analytical tools with which to analyze democracy, American government, and politics, with a Christian perspective.

CONSUMER SKILLS

To provide students with the opportunity:

- to develop the ability to evaluate, buy, and use the goods and services available as a consumer, and to manage personal financial affairs knowledgeably.

PHYSICAL FITNESS SKILLS

To provide students with the opportunity:

- to develop a physiological and practical rationale for the development and maintenance of a healthy body through organized physical activity.

COMPUTATIONAL SKILLS

To provide students with the opportunity:

- to acquire adequate mathematical and computational skills in order to enhance their understanding of and interaction with today's society.

SCIENCE AND TECHNOLOGY IN THE SOCIAL AND PHYSICAL ENVIRONMENT

To provide students with the opportunity:

- to develop the ability to integrate basic principles of biology, chemistry, and physics concepts with the human environment.

- to acquire awareness of one's own responsibility for environmental problems and possible solutions and for one's own health and well-being in the environment.

BIBLICAL STUDIES AND CHRISTIAN FAITH

To provide students with the opportunity:

- to explore certain contemporary issues from the Christian perspective in order to begin the process of cultivating an integration of faith, learning and living.

- to become aware of the unity of the Hebrew-Christian Scriptures by tracing the flow of salvation history as it comes to expression in this literature.

VI. Reasoning Skills—7 hours

ENG	1080 Critical Writing and Research	3 hours
	Philosophy (Sophomore or above)	4 hours
	Choose one of the following:	
PHL	2010 Intro to Philosophy	
PHL	2020 Creative & Logical Thinking	
PHL	4020 Christian Ethics (Juniors-Seniors only)	

VII. Christian Perspectives on Faith and Living—12 hours

Freshman Level—2 hours

REL 1000A-L The Bible and Contemporary Issues

(The student will choose one one-hour course from those scheduled.)

REL 1010 The Idea of a Christian College (required of all freshmen)

A student entering college beyond late adolescence (i.e., with considerable life experience) or who has accumulated 48 hours or more of college credit, will bypass these requirements and will take REL 2020—How to Study the Bible in lieu of these requirements.

Sophomore Level—4 hours

REL 2000 Intro to Biblical Faith

Junior Level—4 hours

REL 3000 Intro to Christian Thought

Senior Level—2 hours

REL 4000 Religion and Life

Any substitutions or waivers of listed general education requirements must be approved by the Dean of the College.

The Values Component

The curricular experiences of a liberal arts college, particularly those of a Christian liberal arts college, should be permeated with inquiry into the value implications of the subject matter, whatever the discipline involved. Value statements and questions are systematically confronted as a regular element of each course in the General Education curriculum, and students are encouraged to explore these areas as well as learn the content and the skills inherent in the discipline.

Requirement for the A.A. or A.S. Degree

In addition to the above 4-year degrees, Trevecca offers the Associate of Arts degree and the Associate of Science degree in selected para-professional programs of study. These 2-year programs are career-oriented and require approximately one year in general education including eight hours of required religion courses. The balance of the program is in the specialty area selected, and each program requires some field experience or internship unless otherwise stated. The College requires 96 quarter hours of college work with a 2.00 grade point average for graduation with the A.A. or A.S. degree. The residency requirement for the A.A. or A.S. degree is 24 hours exclusive of ELP credit.

2-Year Associate of Arts and Associate of Science Programs

Selected Course of Study	Department for Counseling	Hours of Field Experience or Special Provision
A.S. Broadcasting	Communication	Internship—local radio or TV stations.
A.A. Lay Ministry	Religion	None
A.S. Child Care	Education	12 hours clinical field experience
A.S. Computer Information Systems	Business	None
A.A. General Studies	Career Planning	None
A.S. Medical Assistant	Allied Health	4 hours externship
A.S. Medical Secretary	Business	None
A.S. Retail Management	Business	6-9 hours of Internship a cooperative plan is available with Sears for selected students
A.S. Sales	Communication	None
A.S. Secretarial Administration	Business	None

- to be exposed to the major Christian doctrines and the nature of Christian reflection through a study of certain strategic periods of doctrinal development.
- to participate in a retrospective effort to integrate faith and learning within the Christian perspective and to become aware of the issues involved in the relation between Christianity and culture.

UNDERSTANDING OF THE WESTERN CULTURAL HERITAGE AS CONVEYED BY HISTORY AND LITERATURE

To provide students with the opportunity:

- to trace the major themes which recur in the political, social and intellectual history of man, and to relate those understandings to the conflicts and concerns of the modern world.
- to explore the methods of historical and literary inquiry so that they can critically evaluate the observations and conclusions of writers and thinkers who have produced significant commentaries on the human drama.
- to become conversant with many of the major personalities who, through their deeds and/or writings, have made significant contributions to the progress of civilization.
- to explore the mutual interaction of the language and culture of a people with the historical development of their nation.

AESTHETIC EXPERIENCE

To provide students with the opportunity:

- to develop a breadth of understanding and appreciation of the cultural patterns of the western world.
- to develop insight into actual works of music and art by increasing their perception (ability to hear and see).
- to develop a technique of general critical analysis by which they can arrive at their own evaluation and judgment of works of art.

INTRODUCTION TO PHILOSOPHY

To provide students with the opportunity:

- to grasp the significance of reflective and creative thinking.
- to understand all thought in general and philosophy in particular as products of concrete human beings and, thus, as consistently historical in nature.
- to acquire a certain depth of understanding of specific thinkers whose ideas have had unusual influence on both the course of philosophy and that of culture at large, especially in the West.

Army-Navy-Air Force ROTC

Trevecca has a cooperative agreement with the Army-Navy ROTC at Vanderbilt University and the Air Force ROTC at Tennessee State University in which students from Trevecca may receive credit for ROTC courses and transfer them back on their degree program at Trevecca. Upon successful completion of the bachelor's degree program at Trevecca and successful completion of the ROTC program, the student will also receive a commission in the Army, Navy, or Air Force. A student must be enrolled full-time at Trevecca to be eligible to apply for the ROTC program. Scholarships are available on a competitive basis to qualified students. There is no military commitment until entering the Advanced Program of the junior year. Upon graduation, there is an active duty and reserve duty obligation for scholarship students.

The location of Trevecca makes these cross-town agreements attractive for students desiring officers training in the new, voluntary Army, Navy, or Air Force. Students may use ROTC credit for a minor in Air Science, Military Science or Naval Science.

Academic Advisor

Each student is assigned an academic advisor according to his/her choice of field of study. Students undecided about their majors are advised by a counselor in the Career Planning Office. The successful planning and completion of the requirements for graduation are the joint responsibility of the student and the advisor. To change major and/or advisor, a student must submit a request through the office of the Dean of the College.

Academic Enrichment Program

Trevecca's Academic Enrichment Program (AEP) is a special program for students who score below fifteen (ACT Composite score) and thirteen or below (ACT Standard score) in English and/or ten or below (ACT Standard score) in Math must successfully complete the program before they are given regular admission to the College.

Courses structured for the AEP are Basic Writing Skills, Basic Math Skills, Developmental Reading, and Speech Confidence. Applicants who score within the ranges listed above on ACT will be placed in appropriate basic writing and basic math classes. Students scoring sixty-four or less on raw score of Form E and F on the Nelson Denny Reading Test are required to take Developmental Reading. Students who indicate a need on the Speech Confidence Questionnaire are expected to take Speech Confidence.

All basic skills courses are graded primarily on the Satisfactory and In-Progress basis, so students required to take them may have more than one quarter (three quarters maximum) to complete the competencies they must achieve for regular admission.

Students who are required to enroll in the AEP will have a special developmental studies counselor until they have completed the basic skills program and have begun regular college courses on a full-time basis.

Regularly admitted students who score within the ranges listed above on the ACT, the Nelson Denny Test, and the Speech Confidence Test will be placed in appropriate courses. Students are required to enroll in the courses the first quarter.

Any questions concerning the Academic Enrichment Program should be directed to the Director of Developmental Education.

Limitation of Student Load

The average load is 14-16 hours, the maximum, 20 hours. A student may not register for more than 17 hours unless the grade average for the preceding quarter was at least a "B". Students who work should limit their academic load according to the amount of work and their level of ability. The indicated relationship between academic load and work hours should be observed.

Policy for IP Grade

In Progress (IP) grades may be assigned in basic skills courses and in Advanced English Review if a student has worked diligently but has not yet attained the required competency. A student receiving an IP grade is required to register and pay for the same course again the following quarter or the next quarter he/she is enrolled. Failure to re-enroll as required will cause the IP grade to become F. A student may only receive the IP grade for two consecutive quarters in each basic skills course. At the end of the third quarter of work, a student must earn a grade of S or receive a grade of U (F if more than three unexcused absences). A student may not try the course again until three quarters have passed.

Academic Probation

To encourage and ensure satisfactory progress toward a degree, the office of the Dean of the College administers the following system of probation and exclusion. As a student advances in class, the minimum academic level increases (according to the following scale) to assure that the 2.0 minimum average requirement is met for graduation.

All students' records will be evaluated at the end of fall, winter, and spring quarters. Probation and suspension will be based on the cumulative grade point averages of each of these quarters. Students temporarily suspended at the end of fall term may not attend winter term. Students temporarily suspended winter term may not attend spring term. Students temporarily suspended at the end of the spring term may not attend fall term.

If a student fails to attain minimum class standing after the first quarter of probation, he/she is given final probationary status until minimum class standing is achieved. After one is placed on final probation, he/she will be suspended for one quarter following any quarter (summer quarter is not considered) he/she fails to achieve a 2.0 average for that quarter. After the first suspension and failure to remove probation in the first quarter after return to Trevecca, the next suspension is for one year and requires approval of the Admissions Committee for re-admission on final probation. Transfer students with grade point averages below minimum standards will be entered on probation. Students with extenuating circumstances may appeal to the Admissions Committee for reinstatement.

No student on academic or social probation will be allowed to fill any SGA or class office.** Students must have a 2.5 average to be approved for election to major offices. Students serving the college as official representatives in any capacity, such as intercollegiate athletics, forensic team, and non-academic musical groups, must not be on academic or social probation.

**All student Council members, class and club presidents, business managers of publications.

Probation Limits By Student Classification

Classification	Hours Attempted	Probation Level
Freshman	0-44	less than 1.60
Sophomore	45-91	less than 1.80
Junior	92-139	less than 1.95
Senior	140-completion	less than 2.00

For students **not** on probation:

Work Hours	Maximum Load in Hours
40 or more	8
30-39	12
20-29	14-17
20 or less	18-20 (see above)

For students **on** probation:

Work Hours	Maximum Load in Hours
40 or more	6-8 (maximum 2 courses)
30-39	8-10
20-29	10-12
Under 20	12-16

Class loads in excess of 20 hours must be approved by a committee composed of the student's advisor, department head, and the Assistant Academic Dean.

Policy on Academic Honesty

Academic honesty is expected of all students at Trevecca Nazarene College. It is an integral part of the educational process where learning takes place in an atmosphere of mutual trust and respect. Each student is responsible to maintain high standards of academic ethics, personal honesty, and moral integrity. Dishonest academic behavior will be dealt with fairly and firmly.

Examinations

Comprehensive final examinations are given in most courses. Spring and summer graduating seniors (associate and baccalaureate) are exempt from final examinations spring quarter only, if they have made a grade of "C" during the quarter.

Examinations must be taken at regularly-scheduled times. Permission will not be given to take any final examinations early except in the case of extreme emergency, and then only by special permission from an Early Exams Committee. Deadline to apply for early exam is one week before the last class day.

Class Schedule

A schedule of classes and examination times is published each year for the next school year. A Summer Schedule is published in the spring before the session.

The College reserves the right to cancel a class with fewer than ten students enrolled and to make necessary changes in schedules and programs.

Monday, Tuesday and Thursday nights are reserved for class and study. No school-wide social activities will be scheduled.

Class Attendance

Regular class attendance is expected of all students. Responsibility for class attendance rests with the students and instructors. Each instructor announces his/her attendance policy to the class at the beginning of each quarter. Absences for any reason may be taken into account in the evaluation of a student's work, and a student may be dropped from a class for excessive absences with the concurrence of the Assistant Academic Dean and the instructor.

Each instructor will keep accurate attendance records and report persistent absences to the office of the Assistant Academic Dean.

Each instructor determines whether the absence is excused or not except for extended illness verified by a doctor and travel with an official college group verified by the Dean of the College.

No student will be allowed to receive credit in a course in which the total absences (excused and unexcused) total more than 25% of the number of times the classes meet. After the end of the sixth week, the grade will be "F" unless it can be shown the absences were excused by sickness in which case the grade will be a "W". Prior to the end of the sixth week, the grade will be "W", regardless of the circumstances.

However, students in the Honor Society will be allowed unlimited cuts in a course where the nature of the course does not depend on class participation.

Directed Study

A limited amount of directed study is available for students to do individual research, special problems, and further

study in a particular subject area. It is not intended that regular courses be taken by directed study except in cases of extreme circumstances regarding schedule conflicts in the senior year. A student is limited to one course of directed study per term and a total of 16 hours credit by directed study. Any exceptions to this must be approved by a committee composed of the student's advisor, department head, and academic dean.

Grievance Policy

Student concerns about grades or academic matters relating to a course are normally referred to the faculty member for resolve. If this is not satisfactory, the matter is referred to the Department Head. Should there not be a satisfactory resolution at the department level, the matter is referred to the Dean of the College. The Dean will try to find a reasonable solution and has the authority to refer the matter to the Academic Council for appeal.

Transcript Policies

Official Transcripts:

No degrees or certificates will be awarded and no transcript of credit will be issued until all financial obligations to the College are discharged in full.

Unofficial Transcripts:

Currently enrolled students may obtain an unofficial student copy of their transcript from the Registrar's Office.

Transcripts of Transfer Credit:

A transcript of a student's record from another university or college is not forwarded to a third institution. The student should request another transcript from the original institution.

Withdrawals From Courses

The last day to drop classes without a grade appearing is 5 class days after the first day of class including the first day of class.

Thereafter, a student will receive a grade of "W" in a class anytime up to the end of the sixth week.* Unless there are extenuating circumstances, no student will be allowed to withdraw after the sixth week. A grade of "W" given after the sixth week must be approved by the Assistant Academic Dean. If the student withdraws from any course without following the proper procedure with the Registrar's office and Business office, the grade in the course will be recorded as "F".

A student who finds it necessary to withdraw from all of his/her courses must secure the proper forms from the Dean of Student Services Office and complete them to ensure accurate grades and financial arrangements.

*Students may not withdraw from basic skills courses.

Course Repeat Policy

Students may repeat courses if the second course is equivalent to the first. The repeat grade is the grade recorded as part of the G.P.A. Course equivalency should be decided by Department Chairmen, Dean, and Registrar.

Requirement for Obtaining a Second Degree

A second degree may be obtained with a minimum of 48 hours of additional work including meeting requirements for a second major. In no case will more than one degree be conferred upon a candidate at any one commencement. Second degree candidates are eligible for graduating honor ranks, Honor Society and Dean's List but not for membership in Phi Delta Lambda.

Scholastic Honors

Dean's List. The Dean's List is composed of those students who achieve a 3.5 grade point average carrying 12 or more hours. Seniors who are taking all they need to graduate, even though it may be less than 12 hours, and achieve a 3.5 average are also eligible.

Graduating Honors. Students of high scholastic standing will graduate with honors, according to the following criteria for each honor rank:

Cum Laude—representing a cumulative standing of at least 3.5.

Magna Cum Laude—representing a cumulative standing of at least 3.7.

Summa Cum Laude—representing a standing of 3.9 or above.

Phi Delta Lambda is the national honor society of the colleges of the Church of the Nazarene. Each college maintains a chapter, the one at Trevecca Nazarene College being the Zeta chapter. Honor graduates are eligible for election to membership in this chapter. Elections are held each year by the faculty during the commencement season. Membership each year may not exceed 15 percent of the graduating class.

The Honor Society is composed of those students (sophomores and above) who have maintained a cumulative average of 3.5. This is a learned society under the sponsorship of the Assistant Academic Dean. The four Junior students who have the highest grade point averages in their class have the honor of being Junior Marshals and Flagbearers in the annual Commencement ceremonies.

Student Rights and Responsibilities in the Academic Area

Every student at Trevecca Nazarene College has the **right** to:

1. Respect as an individual and to forthright, friendly, tactful, and helpful treatment, the right to ask sincere questions and receive polite answers.
2. Expect that the course material reflect the current state of learning in the field.
3. Information in a printed syllabus as to course objectives, requirements, evaluation procedures, and attendance policy.
4. Be informed by the teacher at regular intervals as to individual progress in courses.
5. Expect assignments back within a reasonable period of time, including corrections and criticisms of student work either orally or in writing.
6. Personal consultation with teachers and advisor during regular posted office hours.
7. Withdraw from any course (except for Basic Skills courses) during the first six weeks of the quarter with a grade of "W."
8. Due process for appeals about grades or academic matters relating to a course through the Teacher, Department Head, and Academic Dean who has the right to make a decision on whether or not to refer the matter to the Academic Council.

Every student at Trevecca Nazarene College also has the **responsibility** to:

1. Attend classes regularly and participate in class discussions.
2. Complete all assignments on time to the best of his/her ability.
3. Know the academic policies of the College as stated in the College Catalog and annual class schedule, including requirements for graduation.
4. Consult with his/her faculty advisor each quarter regarding academic planning for the next quarter.
5. Plan extra-curricular activities and work schedule so as not to interfere with academic work.
6. Maintain honesty and integrity in all academic work.
7. Take proper care of equipment and materials used in academic work, such as in the science labs and library.
8. Maintain appropriate conduct in the various areas on-campus, such as the classroom, chapel, and library.
9. Maintain a standard of professional conduct off-campus in areas such as student teaching, practicum, internship, clinical training, field trip, forensics, music group, athletics, and outreach ministry.

Transient Credit From Other Colleges

Students are not permitted to register for courses in other institutions while attending Trevecca without the approval of the Dean of the College. A maximum of 12 hours transient credit is allowed. The College reserves the right to reject any courses submitted which were not first approved. Students who owe the college money or are on academic probation will not be allowed to take work at another college as an approved transient student.

Grading System

Trevecca's grading system, based on class work and examinations, is as follows:

Superior Achievement	A	4.0 quality points per quarter hour.
Above average	B	3.0 quality points per quarter hour.
Average	C	2.0 quality points per quarter hour.
Below average	D	1.0 quality points per quarter hour.
Failure	F	No credit.
Incomplete	I	Given for sickness or emergency reasons near end of term. Must be removed within the first five weeks of the following quarter (including summer) or grade becomes a permanent "F". Seniors expecting to graduate at the completion of Summer School must have all "i's" removed prior to August 31st.
Withdrawal	W	Granted to students who officially withdraw from a class, except a basic skills class, during the first six weeks. May be assigned by the Dean of the College for extenuating circumstances.

Grading for Special Courses

Satisfactory	S	Credit toward graduation, but no quality points.
In Progress	IP	No credit. Given in Basic Skills courses to students who need additional time to complete competencies. May be changed to F if student fails to register for the course the next quarter he/she is enrolled.
Unsatisfactory	U	No credit.
Audit	N	No credit.

For graduation—192 quarter hours and a 2.00 grade point average are required.

Change of Grade Policy—After a professor has assigned a grade in a course, changes may be made only for clerical error. Changes must be approved by the Dean of the College.

The Continuing Education Program is designed to meet the educational needs of adult learners. Credit may be earned by attending regular classes (day or evening), through Continuing Education units, through the Experiential Learning Program, and through Teacher Workshops, and Minister's Workshops.

Teacher Workshops

Teacher workshops are offered regularly in various content and professional fields for the in-service professional growth of teachers. Three quarter hours of undergraduate credit may be earned in one week of concentrated study. Credit earned in this program may be used to meet teacher certification requirements of a particular state in areas such as: (1) persons already holding a bachelor's or above degree who are seeking to meet the professional secondary certificate who may need to add an elementary endorsement or visa versa (3) persons whose certificate is expiring who, according to state law, have to take a specified number of hours in order to renew a certificate, (4) persons who may be taking these courses as part of the requirements for a bachelor's degree, and (5) for refresher self-enrichment purposes, or similar professional growth as may be required by the board of education of a local school district. For further information contact: The Director of Workshops, Trevecca Nazarene College, Nashville, Tennessee 37203, (615) 248-1233.

Experiential Learning Program

This program recognizes the validity of experiential learning and provides opportunity to receive academic credit for work or other equivalent training. Up to 24 quarter hours of academic credits allowable with proper validation and approval. For further information, write: Dr. G.L. Pennington, Coordinator:E.L.P. at the college.

Continuing Education Unit

Certain non-credit educational activities are awarded Continuing Education Units. A CEU is defined as "ten contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction." CEU awards may be earned as class units or individual units.

Minister's Workshops and Seminars

An annual Minister's Workshop is held on the campus of Trevecca Nazarene College which may be taken for credit or non-credit. In addition, Continuing Education Seminars for Ministers are available on the various districts in the southeast. For further information, write to: Dr. Don W. Dunnington, Director of Minister's Workshops, at the College.

Workshops, Conferences, Seminars and Study Tours

As need and opportunity arise, the college may provide sponsorship or resources for credit or non-credit training in a variety of educational programs.

INTERDEPARTMENTAL STUDIES

The Associate of Arts in General Studies is a two-year program designed for the student who does not desire to concentrate in one major field of study. The program provides the student with a general exposure to the major fields of knowledge with 64 hours of required courses and 32 hours elective courses selected with the guidance of an advisor. This degree is for students who complete their college work at this level and is not awarded to those who plan a four-year degree.

INTERDEPARTMENTAL COURSES

INT 1000—Freshman Studies (1)
An orientation course required of all entering freshmen each fall to acquaint them with academic procedures, study habits, scheduling, and career planning. Graded on pass - fail basis.

INT 2010—Career Planning and Placement (2)
To introduce the students to career opportunities suited to his/her abilities, interests, values. To explore entrance requirements into various careers and to expose the student to job finding skills and techniques.

INT 2070—Portfolio Development (3)
A course designed to enable the student to develop and organize the documentation of his/her educational and work experiences. Required of all students applying for credit in the Experiential Learning Program. (Exceptions to this requirement must have the approval of the Director of the Experiential Learning Program).

Department of Allied Health

B.S. IN THE PHYSICIAN ASSISTANT PROGRAM

The Physician Assistant Program at Trevecca is one of more than 50 accredited programs throughout the country that provides education for this new health professional role. It has the unique purpose of preparing those who desire to serve Christ through this health care discipline.

The physician assistant is a new professional in the health care field. The first formal training program was begun at Duke University a little more than a decade ago. Now PA's are making a significant impact on health care delivery in many parts of our country especially where the number of practicing physicians is inadequate.

The physician assistant performs various diagnostic and therapeutic tasks under physician supervision. This includes obtaining of medical histories, performance of physical examinations, suturing, assisting at surgery, and treatment of some routine medical problems. The P.A. assists the physician in the daily care of office patients as well as in making hospital rounds and nursing home visits.

The program at Trevecca was designed to meet the Guidelines for Educational Programs for the assistant to the Primary Care physician and has been awarded full accreditation by The Committee on Allied Health Education and Accreditation.

Admission

Enrollment in the professional program is limited. One class of 20 students is selected annually to enter during the Fall quarter. Student selection is accomplished by a special admissions committee composed of faculty, administrators and practicing health professionals. Acceptance is based on capability for completing the academic work, understanding of and suitability for the professional role, demonstrated maturity and reliability. Candidates must have had some health care experience with direct patient contact.

Applications for consideration in the current year are to be submitted by March 15. Final selections are made by April 15. Some applicants will be required to meet with the admissions committee for an interview before selection. Candidates selected must make a $200 nonrefundable deposit to hold their position in the class. This deposit will be applied toward the first quarter's tuition. A $25 application fee must be submitted with the application to be eligible for review by the admissions committee. This fee is nonrefundable.

Candidates for the professional program must have completed two years of college work (56 semester hours or 84 quarter hours) and have completed prerequisites of general chemistry, anatomy, physiology, microbiology, medical terminology and psychology. Students will be required to complete all college general study requirements before receiving their degree.

Any student admitted to the college may enroll in the pre-professional curriculum or first two years of the program. Trevecca students in this portion of the curriculum make application for the professional program on completion of two years of college and completion of all required pre-requisites. Students taking their first two years at Trevecca have an advantage for selection of being better known by the faculty and members of the admissions committee. They also will have completed all general studies requirements for graduation prior to entering the professional program. Enrollment in the pre-professional program, however, does not assure admission to the professional program.

Academic requirements for the Physician Assistant and Medical Technology Program

All required courses must be passed with a minimum of a "C" grade. A student must repeat any course in which he/she has received below a "C".

If a student receives a second D or F within the professional program, he/she will be terminated from the program.

Maintenance of a GPA of 2.5 in the professional segment of the program is required for promotion to the senior year and for graduation.

Students will be reviewed near the end of the junior and senior years by a faculty promotion committee to make recommendations to the department chairman regarding advancement and graduation. Any extenuating circumstances will be evaluated at this time.

Students not admitted to professional P.A. or Med Tech curriculum will be required to complete all general education requirements for graduation with other majors.

B.S.—MEDICAL TECHNOLOGY

The Medical Technology Program is a four year course of study which leads to a B.S. Degree in Medical Technology. The student may become eligible for the B.S. degree and National Certification as a registered Medical Technologist through this program by: 1) successfully completing the three year curriculum on campus, 2) successfully completing a twelve month internship program at Cumberland School of Medical Technology and 3) qualifying for the National Registry.

The medical technologist performs both routine and highly sophisticated clinical laboratory procedures in the areas of: microbiology, hematology, urinalysis, chemistry, serology, and blood banking. He/she is qualified to supervise technicians and laboratory aides and conduct in-service training of medical personnel.

The Cumberland School of Medical Technology is accredited by the Committee on Allied Health Education and Accreditation, American Medical Association upon recommendation by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS).

Admission

Enrollment in the professional program is limited to 15 students per year. Students will be considered for acceptance during the Spring quarter of their second year by a special admission committee composed of faculty and health professionals. Candidates for the professional program must have completed two full years of college work (64 semester hours or 96 quarter

Any student may enroll in the pre-professional program. However, enrollment in this phase of the program does not assure admission to the professional program.

Candidates selected for the professional program must make a $100.00 non-refundable deposit to Cumberland School of Medical Technology to hold their position in the class. This deposit will be applied to the first quarter's tuition. A $15.00 application fee must also be submitted with application to CSMT. This fee is non-refundable.

Transfer credits from other approved hospital based Med Tech programs will be accepted. Tuition will be paid to TNC at the standard rate.

Students accepted into Trevecca's official Medical Technology program must pay their senior year tuition direct to Cumberland School of Med Tech. Appropriate student fee will be paid to Trevecca.

ASSOCIATE OF SCIENCE IN MEDICAL ASSISTING

The Medical Assistant is a relatively new professional who has been described as the most versatile member of the Allied Health Care team. He/she assists the doctor in managing the office efficiently. The medical assistant relieves the physician of many administrative and clinical duties to provide more time to concentrate on diagnosis and treatment.

Typical duties of the Medical Assistant

- Schedule Appointments
- Receive and reassure patients
- Assist the physician with examinations
- Arrange hospital laboratory tests
- Perform certain laboratory tests
- Order medical supplies
- Complete medical reports & insurance forms

The Medical Assistant program is accredited by the Committee on Allied Health Education and Accreditation, American Medical Association upon recommendation by the American Association of Medical Assistants.

Admission

A student may enter the program at the beginning of any quarter. He/she must have a physical exam, TB skin test and serology within the first quarter of the program.

Academic Requirements

Students must earn a grade of "C" or better in each of the professional courses. He/she must repeat any course with a grade below C. Maintenance of a 2.0 GPA is required for graduation.

ALLIED HEALTH COURSES

ALH 1900—Marriage and Family (4)
A course designed to assist the student in preparation for Christian marriage. The course suggests guidelines for mate selection, identifies common problem areas in marital adjustment, and provides general information regarding sex, contraception, and the role of parenting.

ALH 1950—Marriage Enrichment (4)
Designed to assist couples in evaluating and enriching their marriages. Exposure to other married couples and guest speakers with expertise in the various aspects of marriage.

ALH 2000—Clinical Practice (13)
Required for all Medical Assistant students. Designed to prepare a competent and versatile medical assistant by introducing her/him to the clinical setting and procedures which are necessary for her/him to perform independently and/or with the physician in the designated role.

ALH 2010—Administrative Practice (4)
Required for all Medical Assistant students. Designed to teach History of Medicine, Medical Law, Medical Specialties and Completion of Medicare and insurance forms. This course pulls together the other secretarial skills the student has learned to help her manage the administrative aspect of the office.

ALH 2020—Externship (5)
Required for all Medical Assistant students. Student will spend 10 weeks in a physician's office utilizing the skills in clinical and administrative practice that the student has learned in previous classroom lectures and laboratory.

ALH 2030 Senior Seminar (3)
Required of all Medical Assistant students. Taught concurrently with the Externship. Designed to help prepare the student for a career in Medical Assisting.

ALH 2100—Public School Health Problems (3)
Various problems of safety and children's diseases and methods of dealing with them.

ALH 3000—Clinical Human Physiology (4)
An advanced course in human physiology designed for Allied Health professionals. Requires a prior course in animal physiology or a basic course in human physiology. Integrated with ALH 3040 accompanying laboratory sessions.

ALH 3010—Introduction to the Profession (1)
A course to acquaint the students with the physician assistant profession.

ALH 3020—Counseling and Interviewing (1)
A course to help health professionals to develop a constructive therapeutic relationship with patients.

ALH 3030—Medical Ethics (3)
Approaches are considered to make medical decisions and solve medical ethical dilemmas. AMA Guidelines for medical ethics and legal aspects of medical are presented. Open to all Allied Health and pre-health professional students.

ALH 3040—Applied Anatomy (3)
An advanced course in human anatomy designed for Allied Health professionals. Requires a prior course in comparative anatomy or basic course in human anatomy. Integrated with ALH 3000. Lab with gross prosected anatomical materials.

ALH 3050—Pathophysiology (4)
A course presenting the mechanisms of disease production.

ALH 3060—Medical Terminology (1)
A course designed to help the students who major in one of the Allied Health areas to recognize, spell and pronounce, and define medical terms correctly.

ALH 3100—Clinical Medicine I (4)
This course provides an introduction to clinical medicine. It serves to acquaint the student with the diagnostic process and the use of diagnostic tools.

ALH 3110—Introduction to Pharmacology (2)
Course is designed to provide an understanding of the basic concepts related to pharmacology. It will begin to prepare the student to evaluate drug usage in light of pharmacologic principles, toxicities, benefits, side effects and interactions. It will familiarize the student with drugs, and drug classification in general usage today.

ALH 3120—Introduction to EKG (2)
A course to provide basic skills in the interpretation of the EKG.

ALH 3130—Ages and Stages (2)
A course presenting a prospective for dealing with a variety of patients of all ages. Includes a review of human growth and development.

ALH 3140—Physical Diagnosis I (4)
A course designed to provide for the physician assistant skills in the technique of performing physical examinations.

ALH 3150—Introduction to Psychiatry (2)
A study of the more common disorders affecting mental health. Considered are the psychodynamics, diagnosis, and general approach to treatment.

ALH 3200, 3300—Clinical Medicine II, III (4) (4)
These courses present the etiology, pathophysiology, clinical findings, laboratory findings, diagnostic criteria and current treatment of the more common diseases affecting the human organism. Prerequisites ALH 3100.

ALH 3210—Community and Preventive Medicine (2)
A course providing an introduction to epidemiology and to the practice of preventive medicine.

ALH 3220—Clinical Nutrition (1)
The use of regular and special diets in the management and prevention of health problems.

ALH 3230, 3330—Clinical Practicum I, II (1)
An introduction to patient care for the physician assistant. Students are assigned a limited number of patients to follow and assist with their care. Prerequisites: ALH 3050, 3140, and 3100.

ALH 3240—Physical Diagnosis II (4)
Techniques are presented for obtaining medical histories. Physical examinations are performed on a variety of patients under supervisions. Prerequisite: ALH 3140.

ALH 3250—Laboratory Medicine (4)
A course to provide physician assistant students with skills in the performance of selected clinical laboratory procedures.

ALH 3310—Medical Therapeutics (3)

Department of Business Administration and Economics

Business Administration majors are given broad training in liberal arts subjects and in addition take the core program in business. Business majors are encouraged to minor in mathematics, accounting, economics, retailing or behavioral science. This major program is designed to prepare young men and women for careers in business and industry directly or through the many management training programs available in modern corporations. Students with outstanding records are encouraged to go on to graduate school from this program.

Accounting data is widely used by all types of businesses and by the government. Students who have a broad training in the field of business supplemented by a major in accounting may find professional opportunities in public or private accounting, or in governmental or non-profit institutional services.

The student who is interested in public accounting may prepare for the C.P.A. examination which is given twice each year by the State Board of Examiners of Certified Public Accountants. The requirements for taking this examination are established by the State Board; therefore, the student should make inquiry regarding the specific requirements well in advance of the examination.

Business Education majors are given training to make them effective teachers in secondary schools. Basic business subjects are included in the curriculum. Business Education majors select a minor in economics, accounting, or office administration. The student must meet the professional educational requirement for certification. A student should prepare for a minimum of certification in three fields of business selected from: typewriting; shorthand; business law; economics; accounting.

Office Administration, a course of study leading to the bachelor's degree with a major in Business, is offered to students wishing to prepare themselves specifically for executive secretarial or office management positions. This type of major provides the graduate with a broad liberal arts background; tool courses of business such as economics, accounting, and business law; plus secretarial skills.

The two-year Associate of Science degree in Medical Secretarial prepares students to work in medical environments where secretarial skills are needed — hospitals, doctors' offices, health care centers or insurance agencies.

The Secretarial Administration program is a two-year program leading to an Associate of Science. Students are prepared for responsible secretarial or administrative assistant positions.

There is currently a large nationwide demand for college graduates in the liberal arts with secretarial and management skills. Note that these are highly professional programs designed to develop office administrators and executive secretarial talent for commerce and industry.

Computer Information Systems gives students a chance to write, test, and debug programs written in BASIC, RPG, and COBOL using up-to-date equipment. The various courses in this program are designed not only to present the technical aspects of computer programming and operations, but also to study the computer as an integrated component of many modern information systems. Students have a choice of three programs in the computer field: a minor in Computer Information Systems in a four-year degree program; a two-year degree program in Computer Information Systems; or a four-year degree in Computer Information Systems. Even students who do not major or minor in this field will find some exposure to computer information systems to be a desirable component in a broad education.

Students wishing to prepare for management careers in the retailing field may select an A.S. degree in Retail Management. Retailing makes good use of the capabilities of all kinds of people. It has proven to be a training ground and a springboard for top executives in practically all other kinds of industries, such as steel, automobiles, banking, and manufacturing. It has been said, and truly, that a good retailer can do, and enjoy doing, just about any challenging job in the business world.

Students who cannot devote four years to a degree program may register for one of the two-year programs which will qualify them for the Associate of Science degree. These two-year programs are sufficiently flexible to enable a student to later complete the requirements for a Bachelor of Science degree.

The Associate of Science degree will be granted to students who meet the general requirements of Trevecca Nazarene College, the specific requirements for this section, and complete one of the prescribed two-year curricula as outlined.

GENERAL REQUIREMENTS

Students must present a minimum of 96 credit hours with an average grade of "C" or above. Grades of "C" or above must be earned in Upper Division courses.

Twenty-four of the last 48 hours required for the degree must be registered for and carried in residence at Trevecca Nazarene College.

Department of Communication Studies

The Department of Communication Studies offers broad training in the general idea of oral and written communication. The curriculum provides considerable flexibility and gives attention to (1) Interpersonal Communication and Human Relations, (2) Speaker-Audience Communication, (3) Mass Communication, (4) Drama, (5) Cross-Cultural Communication, and (6) Speech-English Education. These six programs lead to the Bachelor's degree and are designed to fit a variety of student needs and career interests.

In addition to these specialized programs the Department offers a general "Communication Studies Major" (English concentration = B.A.; Communication concentration = B.S.) This major consists of 40 hours of upper division courses from within the department and under supervision of the student's department advisor. A Communication Studies major makes an effective double major for those who have chosen their vocation and is often recommended by other departments.

The Department of Communication Studies also offers two 2-year Associate of Arts degrees in the areas of Radio Broadcasting and Sales. These programs are career oriented and require selected general education credit hours along with learning experiences within the specific program. In addition to classroom course offerings, practical experience can be achieved through internships and individualized instruction in both the Associate and Bachelor degree programs.

A listing of the departmental programs is given below followed by a general description and overview of each major. More detailed course descriptions follow the degree program outlines. Some course descriptions appear elsewhere in the catalogue under the department indicated by the course number.

Department of Education and Psychology

The Department of Education and Psychology administers programs for persons who major in Elementary Education, Early Childhood Education, Special Education, and Psychology. An Associate of Arts degree in Child Care and minors in Library Science (a certification program), Early Childhood, and Psychology are also offered by the department.

The Bachelor of Science degree in Elementary Education is designed for those desiring to work with pupils in grades one through eight. The Bachelor of Science degree in Early Childhood Education is designed to prepare those who wish to specialize in the early years (birth through eight) and work with students in kindergarten through grade eight. The Bachelor of Science degree in Special Education is designed to prepare teachers of exceptional children in grades one through eight in the following areas: Learning Disabilities, Mentally Retarded, Emotionally Disturbed, Socially Maladjusted, Gifted, Multiple Disabilities, and Crippling-Special Health Conditions. The program is generic in design and must be coupled with a major in Elementary or Early Childhood Education or a Secondary Education subject area.

Trevecca's program of Teacher Education is approved by the Tennessee Department of Education to offer endorsements in kindergarten, elementary, and secondary levels of professional certification and is fully accredited by the Southern Association of Colleges and Schools. Trevecca College holds membership in the American Association of Colleges of Teacher Education, the Tennessee Association of Colleges of Teacher Education, and the Metropolitan (Nashville) Council for Teacher Education.

The ultimate goal of the Teacher Education Program at Trevecca is the preparation of quality classroom teachers of Christian character and ideals, teachers who will serve their communities by being the kind of role models their young students deserve and need. The teacher educators at Trevecca recognize that their task is a cooperative one with the public and private school sectors, and believe that they can contribute by providing experiences through which their students can discover themselves in relation to society and its schools.

The department administers Trevecca Kinderhaus, an early-learning center for three, four, and five year old children. The primary purpose of the Kinderhaus Program is to provide a valid educational experience for the enrolled children. The center is used for observation and internship placement and child development research as well.

The purpose of the psychology program at Trevecca is twofold: the preparation of students for graduate study in psychology or for school psychology and counseling on many different levels as well as to provide support courses for teacher education. The objectives of the Bachelors degree program in psychology are to: (1) acquaint students with the breadth of psychology in its many different areas; (2) give students a solid base in the literature of psychology; (3) train them in statistics and research methodology; and (4) allow students the opportunity to use experimental methods associated with the field of psychology.

Screening Procedures for Admission to Teacher Education (Elementary and Secondary)

Application for admission to the teacher education program should be made in Foundations of Education (Edu 2000) which is taken late in the freshman year or early in the sophomore year. Junior transfer students wanting to major in education should apply during their first quarter at Trevecca in Edu 2000.

Each applicant is then scheduled for a screening interview by an elementary or secondary screening committee. This committee makes a recommendation of approval, disapproval, or conditional approval to the full Teacher Education Committee.

This Teacher Education Committee, which is the governing body of the Teacher Education Program acts upon the screening committee recommendation which is based on the following requirements or prerequisites:

1. Demonstrate English competence by presenting a grade of C or better in English Composition (Eng 1020 and 1080) and a recommendation from the English faculty. Satisfactory completion of the language section of the California Achievement Test (as required by the state of Tennessee) is also a requirement for demonstrating English competence. The C.A.T. is administered in Edu 2000.

2. Demonstrate speech competence by presenting a grade of C or better in the general education courses Com 1010 and 1020 (Speaker Audience Communication and Communications and Social Relations) and recommendation from the Communications Faculty. Students who manifest speech problems considered by the Committee on Teacher Education to be detrimental to teaching success may be referred for remedial work.

3. Demonstrate handwriting skills. Students who manifest handwriting problems considered by the Committee on Teacher Education to be detrimental to teaching success may be referred for remedial work.

4. Satisfactory completion of the reading and mathematics sections (as well as the language section mentioned above) of the California Achievement Test is also a requirement for admission to the Program (as mandated by the State of Tennessee).

5. Pass Education 2000 with a minimum grade of C or better and present a recommendation from the course instructor.

6. Present and maintain a grade average of not less than 2.2 (four point scale) in all college work. If a student has not achieved this average, the application will be deferred. If after being admitted to the program the student's grades fall below the minimum 2.2 cumulative average, he/she is automatically placed on probation from the Teacher Education Program until the 2.2 grade-point average is attained.

7. Present three letters of recommendation from faculty members who have been in a position to judge scholarship, attitude, personality, and promise for future success in the field of teaching. One of these letters must be from the Department Chairman or faculty advisor.

8. Exhibit responsible personal/professional behavior befitting a person preparing to teach children and adolescents and consistent with Trevecca's goal of training quality classroom teachers of Christian character and ideals. Such personal/professional behavior will be evaluated by using three sources of information: college faculty, cooperating teachers and administrators from area schools, and the Office of Student Services.

THE STUDENT TEACHING PROGRAM

All students in the Teacher Education Program at Trevecca must complete in their senior year a professional quarter which includes student teaching. This internship is conducted in one of the local public schools under the guidance of a classroom teacher and a college supervisor from Trevecca.

Student teaching is the culminating experience in the preparation of preservice teachers. It is meant to be a time when the student can demonstrate the teaching skills learned during the previous three years of preparation. It is an opportunity for the student to try various methods and approaches studied in the college and public school classroom. It provides a laboratory over an extended period of time (ten weeks) for the prospective teacher to identify strengths and weaknesses and develop an effective personal teaching style.

To be admitted to student teaching the student must make application to the Director of Teacher Education according to the following schedule of deadlines: for Autumn term, by May 10; for Winter term, by September 25; for Spring term, by January 25. Once the student's application is on file, he or she is scheduled for an interview by an elementary or secondary screening committee which makes a recommendation to the full Teacher Education Committee.

This committee approves or disapproves the candidate based on the screening committee's recommendation and on these conditions for admission to student teaching: (1) previous admission to the Teacher Education program, (2) an overall grade average of 2.2, (3) senior status, including completion of a minimum of half the total of 40 quarter hours required in Professional Education including the basic methods courses in the areas of specialization in which student teaching is to be done, (4) have a minimum grade average of 2.5 in each major area in which student teaching is to be done, (5) be in good standing with the college, (6) submit to a physical examination screening procedure at the campus clinic during the student's junior year, (7) secure liability insurance through membership in STEA (or any other agency for teacher liability insurance), (8) for music majors, pass the Keyboard Proficiency Exam, and (9) for majors in health and physical education, meet the P.E. Departments conditioning criteria.

Once approval of the student's application has been secured, the Director of Teacher Education, in conjunction with the Metropolitan Coordinator of

Preservice Teacher Education, assigns the student teacher to a particular school, classroom cooperating teacher, and college supervisor. The student is then notified of his or her placement and is required to attend a student teacher orientation meeting conducted by the Director of Teacher Education at the beginning of the quarter. It is during this meeting that the various policies and requirements of the student teaching program are explained.

The professional quarter itself is an internship period of ten weeks consisting of a methodology course and student teaching. The methodology course for elementary majors is called "Evaluation and Child Guidance" and its secondary counterpart is named "Instruction and Discipline for the Secondary School." Each carries two quarter hours credit and is built into the student teaching experience in a seminar format.

A final screening interview for certification purposes is sometimes necessary, especially if some doubt from the student teaching performance exists. Thus it is possible that the student will be interviewed three times during his student career: once for entry to the Program, once for admittance to student teaching, and once more for the certification recommendation.

The graduating senior in teacher education who wants to gain certification in Tennessee must take and pass the National Teacher Examination. It is administered three times a school year at Vanderbilt University. Contact the Director of Teacher Education for information.

COOPERATIVE AGREEMENT IN SPECIAL EDUCATION WITH GEORGE PEABODY COLLEGE OF VANDERBILT UNIVERSITY

Students who are interested in pursuing training in a specific handicapping condition (instead of Trevecca's generic special education program) may choose from three programs at Vanderbilt University: a major in **Multiple Handicaps** (60 quarter hours), a major in **Visual Impairment** (45 quarter hours), or a minor in **Speech and Hearing Science** (27 quarter hours).

The two majors in Multiple Handicaps and Visual Impairments at Vanderbilt University must be accompanied by a major in Elementary Education, Early Childhood Education, or a Secondary Education field taken at Trevecca. The Speech and Hearing minor can be accompanied by a subject major at Trevecca chosen from any of the academic departments; however, recommended majors would include Special Education, Communications, Speech-English, and Social Welfare.

Students may secure details and request permission to pursue this cooperative program from the Chairman of the Department of Education and Psychology, the Coordinator of Special Education, and the Dean of the College.

Department of Music

The department is a member of the National Association of Schools of Music, the accrediting agency for schools and departments of music in universities and colleges. It provides opportunity for all students to broaden their understanding of music and art as cultural pursuits embracing aesthetic qualities. Recitals and programs are scheduled regularly, designed for the enjoyment of the listener as well as the development of talents of the performers.

In addition, the department functions as a service area for the entire college community, providing music for many varied occasions — convocations, chapel, revivals, commencements, etc.

The department seeks to prepare musically educated individuals for various areas of performance, teaching, and church music, developing both skills and a philosophy relevant to these areas. The B.S. is offered in music (with emphasis in music or church music) and music education.

Students interested in a music major must make formal application to the department. An important part of the application procedure is an audition in the student's major applied area. Applicants should be prepared to play representative works from their repertoire in the case of instrumentalists, or sing representative vocal selections demonstrating proper interpretation, good diction and acceptable intonation.

Another aspect of the application procedure is a proficiency examination in functional keyboard skills. Students

Class Instruction

Class instruction in voice, piano, and guitar provides small group instruction for those with little or no previous study. Music majors may not count class instruction in their principal applied area toward graduation requirements. Minors may count up to 3 hours.

Vocal Diction

Fundamental elements of foreign language designed to assist voice students in their study of German, Italian, and French repertoire.

Studio Instruction

Private instruction is available for the applied areas listed below. Students other than music majors and minors with sufficient background and interest are encouraged to elect studio instruction whenever teaching time is available. Juries are held each quarter. All majors must pass an applied examination at the end of their 6th quarter of study before they will be permitted to register for 4000 level (Upper Division) applied study. Music majors must register for 6 consecutive quarters of 4000 level study in order to meet graduation requirements. One 30-minute lesson per week carries 1 hour of credit, and requires a minimum of 6 hours outside practice weekly. All applied students are required to attend all concerts and recitals sponsored by the department and all musical Lyceum performances. Failure to do so will result in a lowering of the applied grade for that quarter.

Department of History and Social Science

History and the Social Sciences have always been important areas of study at Trevecca Nazarene College. Historians and social scientists alike believe that the perceptions of people different from ourselves in time, space, and life-expressions are built upon our understanding of our own social and political experience. The department's objective, therefore, is to promote understanding of modern societies through the methods of the historian and the social scientist. Students desiring to enter the professional fields of teaching, historic preservation, museum-related work, law enforcement, criminal justice, personnel management, behavioral research, and all levels of government service select history, social science, or behavioral science as major fields. In addition, minors in history, political science, behavioral science, social science, social welfare, or sociology may be selected to back up work in any area of study.

The two new and expanding areas served by our department are Pre-Law and Social Welfare. Following the counsel of graduate schools of law and practicing attorneys, we have established a personal program for each student who plans to pursue graduate legal studies. Thus far every graduate of our program who has applied to a graduate school of law, has been accepted.

The Social Welfare major is designed to prepare students for entry into careers in the expanding social work professions at any level of public or private agency, or into graduate pro-

Department of Physical Education, Health and Recreation

The department of Physical Education, Health and Recreation has as its objective meeting the physical and social needs of its students through a program which includes intramural sports, activity courses, professional health and physical education courses. In addition to the activity courses required of all students, a variety of professional education courses is provided which could meet certification requirements for a teaching major and minor. It is considered advisable for students to select some teaching major or minor (this may be elementary education) to back up the work in physical education if one plans to teach. These courses also prepare students for work in community, camp and church recreational programs. It is the desire of the department to provide a program that will promote physical fitness and a desirable attitude toward health and wholesome recreation under professional leadership. The successful completion of Physical Education 2000 is a prerequisite to all upper division physical education courses.

Department of Religion and Philosophy

The Department of Religion and Philosophy provides a curriculum to prepare persons for various areas of Christian service as well as for graduate study in religion. In addition to implementing its own goals, the department services the curricular commitment of the institution to general education studies in Bible, doctrine and philosophy.

The B.A. degree in Religion is offered in 6 areas of concentration: (1) Pastoral Ministry (for students planning to enter the active ministry immediately upon graduation, meets ordination requirements); (2) Pre-Seminary (meets admission requirements of Seminary); (3) Religious Studies (for students with no professional ministerial goals); (4) Christian Education; (5) Youth Ministry and (6) Youth and Music (in conjunction with the Music Department).

An A.A. degree is offered in Lay Ministry. This is a two year program designed for students who are interested in studying in a Christian college to become competent lay workers in a local church.

Several minors are also offered including: (1) Biblical Studies, (2) Religious Studies, (3) Philosophy, (4) N.T. Greek, (5) Lay Ministry and (6) Missions.

A study of the missionary activities of the Church of the Nazarene from pre-union groups to the present with an evaluation of present and future problems and needs.

MIS 3130—Living World Religions (3)
The origin, development, present status of the existing great non-Christian religions, together with a consideration of the economic, political, social, and religious problems with which the Christian missioner must deal in his missionary enterprise.

MIS 3140—The Church in the Inner City (3)
A practical approach to the problem of adapting the interests and resources of the city church to the deteriorating conditions in the inner city.

MIS 3420—Cultural Linguistics (4)
A study of the underlying structure of all languages, including the psychology of language essential to a study of any language. For any one who will be trying to communicate across cultural barriers.

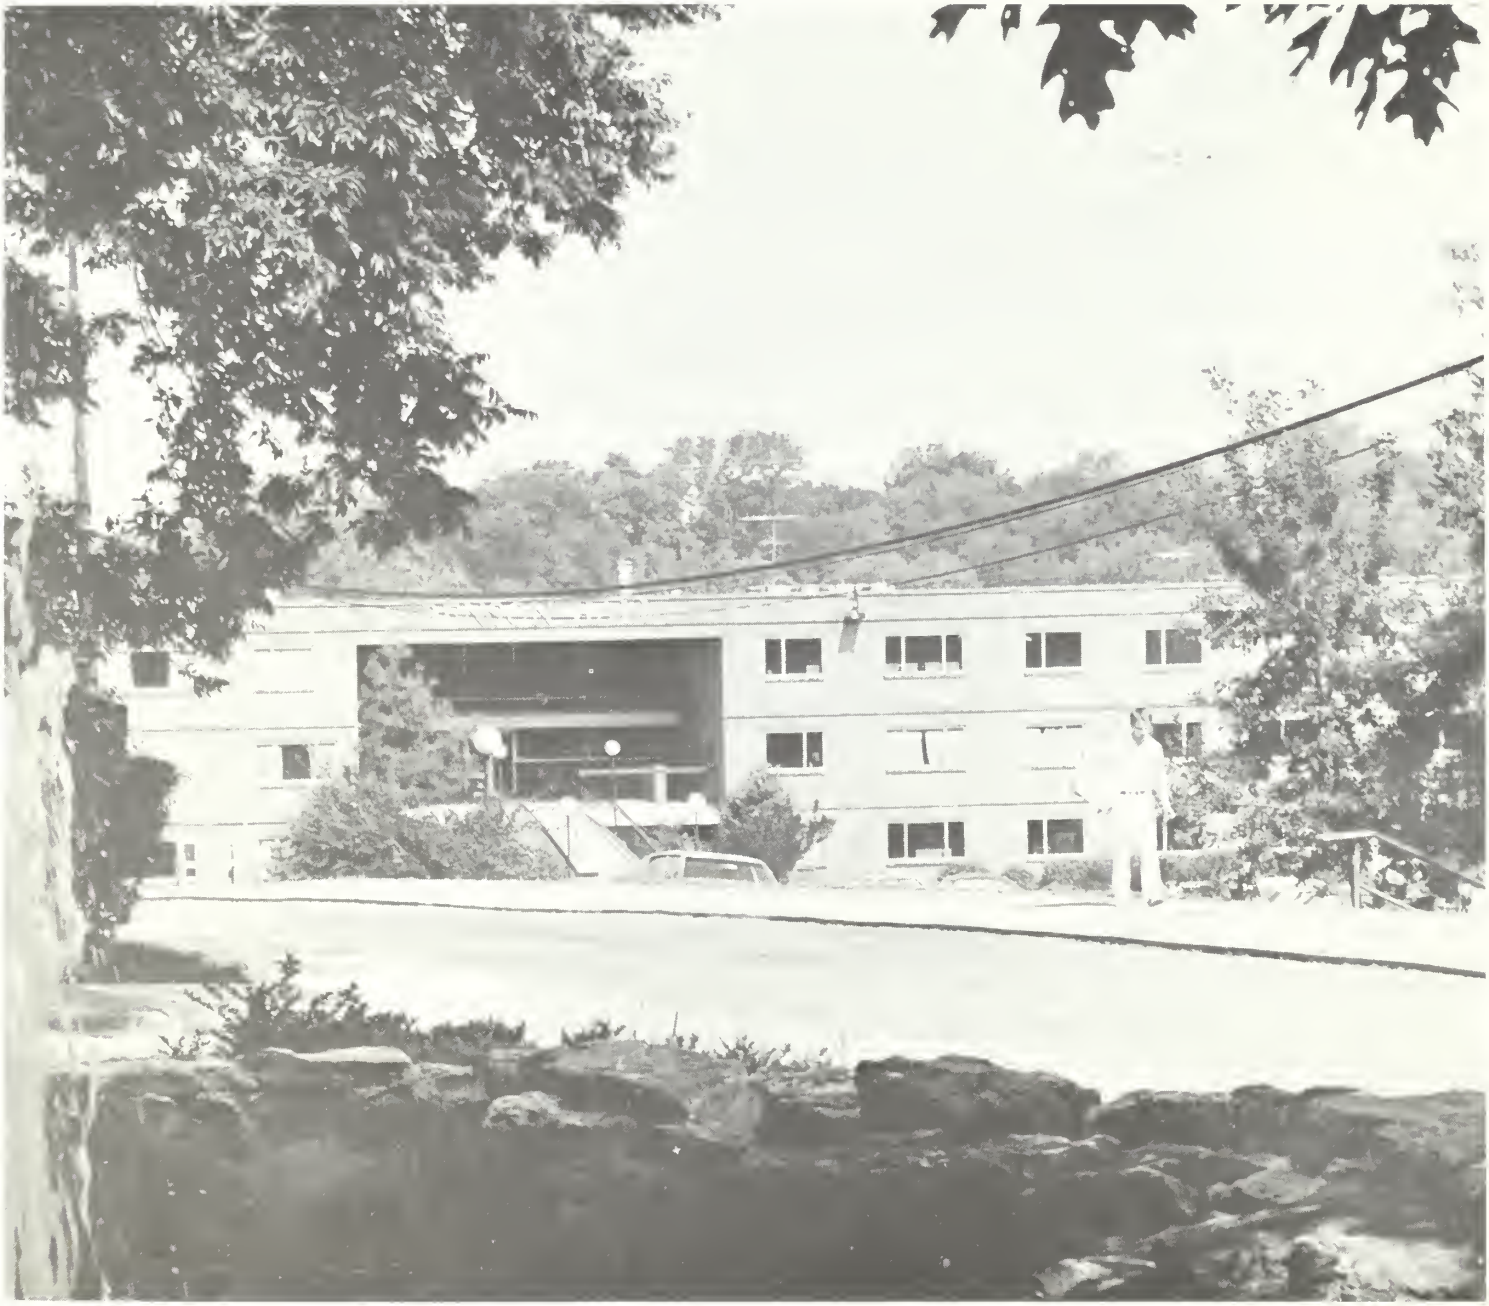
MIS 4510—Field Experience in Missions (2-4)
Credit can be given for on-site experiences in social work and in missions. Credit can also be earned during the summer in Student Mission Corps work or other approved mission experiences under conditions set up by the department head.

MIS 4330—Directed Study in Missions (1-4)
Includes special projects on specialized research in missions.

(2) Anthropology

ATH 3010—Cultural Anthropology (4)
This course is an introductory survey of the field of cultural anthropology. It examines the nature and role of the individual in culture and society. Covers the basic concepts and theories of culture study.

ATH 3030—Applied Anthropology (4)
An examination of culture and the ways in which human behavior has been similarly organized among different cultures. Practical training in methods and techniques of anthropological survey and analysis is provided as well as principles which assist in developing effective cross-cultural communication.



B.S. IN BIOLOGICAL SCIENCE

General Education ..... 68 hours
(BIO 1510 and Phy. 1010 or 1110
instead of Science Understandings)
Major (above Bio. 1510) ..... 40 hours
Must include the following:
BIO 1520, 2520, 1530, 3700, 3710, 3520, 3530 + 12 hours
Support Courses Required ..... 28 hours
Chemistry 1040-50-60
Organic Chemistry 2010-20-30
Math through College Trig or equivalent
Phy 1010 or 1110
Minor: Chemistry (strongly advised) ..... 28 hours
Must include the following:
Chemistry 1010-20-30 or 1040-50-60
Organic Chemistry 2010-20-30
Chemistry elective ..... 4 hours
Electives ..... 28 hours
Total ..... 192 hours

Minor in Biological Science ..... 28 hours
Includes 4 hours of Botany in addition to courses in Biological Science beyond the general education requirements in Science.

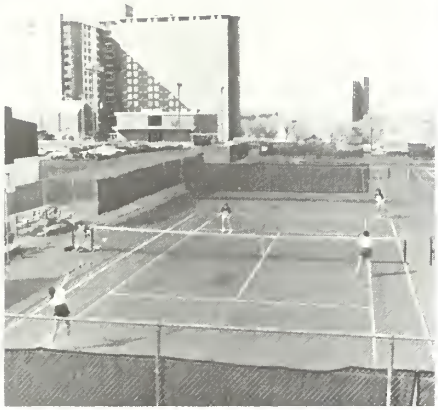
B.S. IN CHEMISTRY

General Education ..... 68 hours
Major ..... 44 hours
Must include the following:
General Chemistry 1040-50-60 ..... 12 hours
Analytical Chemistry ..... 8 hours
Organic Chemistry ..... 12 hours
Physical Chemistry ..... 6 hours
Support Courses ..... 29 hours
Physics 1110-20-30 or 2110-20-30
Biology 1510; Math 2010, 2020, 2030
Minor: Selected from any field ..... 24-28 hours
Electives ..... 23-27 hours
Total ..... 192 hours

Minor in Chemistry ..... 28 hours
Includes 28 hours in Chemistry beyond the general education requirements in Science.

Department of Science and Mathematics

The Department of Science and Mathematics provides basic courses which offer an introduction to scientific method and to the modern world of science and mathematics. Majors may, with appropriate courses in education, prepare for teaching biology, chemistry, physics, or mathematics in secondary schools. Students with excellent records may prepare for graduate school, and others may desire to use their training for industry, or pre-professional training for medicine, dentistry, or pharmacy. Students desiring to do graduate work in the sciences will find mathematics an essential part of their program. With properly selected courses a student may complete two years at Trevecca and transfer to an institution offering a four-year program leading to the B.S. degree in Nursing.



B.S. IN GENERAL SCIENCE

For students in secondary education who desire to teach in more than one science area.

General Education . . . . . 68 hours
Major . . . . . 44 hours
Must include the following:
Biological Science . . . . . 12 hours
Chemistry . . . . . 12 hours
Physics . . . . . 12 hours
Minor: Selected from any field . . . . . 24 hours
Teacher Education Professional Requirements . . . . . 52 hours

Electives . . . . . 4 hours
Total . . . . . 192 hours

Minor in General Science . . . . . 28 hours
Must include 8 hours Biology, 8 hours Chemistry, 4 hours Physics, and 8 hours Science Electives.

Minor in Physical Science . . . . . 28 hours
Must include 12 hours General Physics, 12 hours Chemistry above 2000 level, and 4 hours electives in Physical Science.

B.S. IN MATHEMATICS

General Education . . . . . 68 hours
Major: Math. 2010-20-30-40-50, 4020 plus electives above 2000 . . . . . 40 hours
Minor: Selected from any field . . . . . 24 hours
Electives . . . . . 60 hours
Total . . . . . 192 hours

Minor in Math . . . . . 24 hours
Includes Math. 2010-20-30, 2040, 2050 plus electives from courses numbered 2000 and above.

Pre-Nursing Program

Trevecca has a cooperative agreement with Mid-America Nazarene College which enables a student to attend Trevecca for two years and then transfer to Mid-America for the professional courses leading to a Bachelor of Science Degree in Nursing. The B.S.N. is accredited by the Kansas State Board of Nursing and the National League of Nursing. Graduates are eligible for State Board exams and licensure as a Registered Nurse.

The first two years of a B.S.N. may be taken at Trevecca. Students may then transfer to Mid-America Nazarene College.

Students must complete all courses in the first two years with a "C" or above and maintain at least a 2.6 grade point average to be considered for the professional program.

Biology 3030	4 hours
Biology 3510	4 hours
Biology 3520	4 hours
Biology 3530	4 hours

A. BIOLOGICAL SCIENCE

BIO 1010—Microbiology and Health. Designed for general education or electives (2)
Introduction to microbes and their relationship to the health and well being of man. Prerequisite: Environmental Science 1650 or equivalent.

BIO 1020—Cardiovascular Physiology. Designed for general education or electives (2)
An overview of the heart and circulatory system and its relationship to other body systems and functions. CPR instruction is included in the course. Prerequisite: Environmental Science 1650 or equivalent.

BIO 1030—Responsiveness. Designed for general education or electives (2)
An overview of the nervous and endocrine systems with special emphasis on behavioral influences. Prerequisite: Environmental Science 1650 or equivalent.

PRE-MEDICAL
PRE-DENTAL

The student will major in either Biology or Chemistry with a minor in the other.

One year of General Physics is required. Individual counseling is given each student as needed.

BIO 1040—Environmental Appreciation. Designed for general education or electives (2)
Nature study, gardening, house plants, science and art. Prerequisite: Environmental Science 1650 or equivalent.

BIO 1500—Principles of Anatomy and Physiology (4)
To provide a basic understanding of human anatomy and physiology for students who plan to enter the health professions who have no background in the natural sciences.

BIO 1510—General Biology (4)
Fundamental concepts in the biological sciences including organization of living matter, cellular structure and function, food production by photosynthesis, energy harvest, reproduction, genetics, and taxonomy. Students majoring or minoring in biology should register for this course instead of 1650. Lecture and lab.

BIO 1520—General Biology II (4)
A study of principles of biology that apply to lower plant life and invertebrates with laboratory study of selected organisms. Prerequisite: General Biology 1510 or equivalent. Lecture and lab.

BIO 1530—Vertebrate Zoology (Comparative Anatomy) (4)
A comparative study of the vertebrates emphasizing anatomy, physiology, adaptations, and phylogeny. Laboratory emphasis on the dogfish shark and the cat. Prerequisite: General Biology 1510 or equivalent. Lecture and lab.

BIO 2500—Ecology (4)
A study of both plants and animals and their relationship to their environment. Extensive field work utilizing major techniques of field biology. Prerequisite: One year science or permission of the department. Lecture and lab.

BIO 2520—Botany (4)
A study of the morphology, physiology, life cycles, and taxonomy of the plant phyla. Lecture and lab.

BIO 2700—Nutrition (4)
A study of the nutritive value of food and the factors influencing the body's requirements.

BIO 3010—Histology (4)
A study of mammalian tissues and microscopic identification of cells, tissues and organs. Opportunities for practice in the preparation of microscopic slides will be given. Lecture and lab. Prerequisite: 1510-1520-1530 or equivalent.

BIO 3020—Embryology (4)
Gametogenesis, fertilization, cleavage, and gastrulation followed by special study of the development of the organs and systems of the vertebrate, with emphasis on the frog, chick, and mammalian embryos. Lecture and lab. Prerequisite: 1510-1520-1530 or equivalent.

BIO 3030—Physiology (4)
The functions of the systems of the mammal with emphasis on human physiology. Lecture and lab. Prerequisite: 1510-1520-1530 or equivalent.

BIO 3510—Biochemistry (4)
The chemical composition and reaction of living matter. Prerequisite: Organic Chemistry 2010-20-30. Can count toward a degree in either biology or chemistry. Lectures and lab. (Alternate years).

BIO 3110—Clinical Microscopy (4)
This course provides the students with a general understanding and basic working knowledge in the clinical aspects and technical procedures employed in the areas of clinical hematology and urinalysis. Practical exercises in related diagnostic laboratory procedures and blood collection are emphasized in the laboratory. Lecture & Laboratory combined. Two - 2 hr. sessions per week.

BIO 3520—Microbiology I (4)
A survey of bacteria, fungi, viruses and protozoa. Emphasis on bacteria; classification, morphology, metabolism, cultivation and control. Introduction to bacterial diseases. Clinical diagnostic procedures to be covered in laboratory. Lecture and lab.

BIO 3530—Microbiology II (4)
Introduction to the viruses; their nature, classification and diseases. Medical mycology is emphasized with the study of the more important mycotic diseases of man. Etiology, epidemiology, clinical symptomology and laboratory diagnosis are considered. Laboratory deals with isolation and identification procedures. Lecture and lab.

BIO 3540—Clinical Parasitology (4)
A study on the medically important parasites of man. Classification, morphology, life cycles and host-parasite interaction are considered. Diagnostic clinical laboratory procedures are emphasized. Lecture and lab. (Alternate years).

BIO 3550—Nature Study (4)
To acquaint teachers with means of utilizing the outdoors in teaching identification of birds, flowers, and trees; including some study of astronomy and geology. Lecture and lab. Prerequisite: Biological Science 1510 or equivalent. (Alternate years).

BIO 3560—Pathogenic Microbiology (4)
Study of pathogenic bacteria associated with infectious diseases in man. Morphology, physiology, pathogenesis, host resistance, prevention and control will be considered as will basic immunologic principles and techniques. Laboratory emphasizes diagnostic methods and culture techniques. Lecture and lab.

BIO 3700—Genetics (4)
Classical theories of heredity are related to modern knowledge concerning the chemical nature of the gene. Laboratory work includes experiments with plants and Drosophila. Lecture and lab, additional lab work to be arranged.

BIO 3710—Genetics II (4)
Molecular genetics will be emphasized in this course. Recent discoveries and current research will be stressed. Attention will be given to interaction of genetic research and human values. Lecture, lab, additional lab work to be arranged. Lab work includes use of bacteria and bacteriophages.

BIO 4000—History and Philosophy of Science (4)
The origins of science, the formation of scientific concepts, the logical structure and vertification of theories, the meaning and limitation of explanation in science, and implications of some scientific findings for meta-physical, ethical, and social problems.

BIO 4330—Special Projects in Biology (1-4)
Open to biology majors and minors with advanced standing. Individual study in a chosen field with emphasis on basic research techniques under the supervision of the staff member in that area of biology. 2 hours lab per week for each hour credit. Prerequisite: 1510-1520-1530 or 2510-2520 plus the advanced course in the area of study.

B. CHEMISTRY

CHE 1010—Principles of Inorganic Chemistry (4)
Introduction to the basic principles of inorganic chemistry. Lectures and lab.

CHE 1020—Principles of Inorganic and Organic Chemistry (4)
Enlarges upon inorganic principles introduced in Chemistry 1010, and introduces organic compounds. Lectures and lab.

CHE 1030—Principles of Biochemistry (4)
Introduction to important biochemical compounds and their reactions. Chemistry 1010 and 1020 are prerequisites. Lectures and lab.

CHE 1040-1050-1060—General Chemistry (4)
This sequence is for students planning further work in chemistry. Topics discussed include chemical notation, atomic structures, periodic relationships, bonding, chemical equilibrium, acids, bases, salts, redox reactions, and qualitative analysis. Lectures and lab.

CHE 1070—Environmental Chemistry. Designed for general education or electives (2)
A study of the chemistry of air and water, including the problems of air and water pollution. Solutions to these problems will be discussed. Prerequisites: Environmental Science 1650 or equivalent.

CHE 1080—Consumer Chemistry. Designed for general education or electives (2)
Designed for general education or electives. A brief description of some of the chemicals used in some consumer products, including metals, glass, ceramics, coatings, polymers, food, medicine, and cosmetics. Some outside speakers and field trips to nearby industries will be included. Prerequisite: Environmental Science 1650 or equivalent.

CHE 2010-2020-2030—Organic Chemistry (4)
An introduction to the study of the compounds carbon—their classification, nomenclature, preparation, and reactions. Prerequisite: one year of college chemistry. Lectures and lab. (Alternate years).

CHE 2510-2520—Analytical Chemistry-Quantitative (4)
A study of volumetric, gravimetric, and instrumental methods of quantitative inorganic analysis. Lectures and labs. (Alternate years).

CHE 3210—Preparations in Organic Chemistry (3)
A laboratory course open to advanced students in chemistry. Inorganic compounds are prepared in pure conditions. Prerequisite: Chemistry 1060 or equivalent. 9 hours Laboratory.

CHE 3510 Biochemistry (4)
The chemical composition and reaction of living matter. Prerequisite: Organic Chemistry 2010-20-30. Can count toward a degree in either biology or chemistry. (Alternate years).

CHE 4010—Physical Chemistry:Thermodynamics and Chemical Dynamics (6)
Thermodynamics and its application to phase equilibria, chemical equilibria, surface phenomena, and electrochemistry. Kinetic theory, chemical kinetics, and irreversible processes. Prerequisites: Math 2010-20-30, General Physics 1110-20-30, and Chemistry 1040-50-60. Lecture and lab (alternate years). This course is designed to be followed by Chemistry 324 at Belmont College, for students who want a whole year of physical chemistry.

CHE 4330—Special Projects in Chemistry (1-4)
Open to chemistry majors and minors with advanced standing. The course consists of individual study in a chosen field with emphasis on basic research techniques under the supervision of the staff member in that area of chemistry. 2 hours laboratory per week for each hour credit. Prerequisite: 1040-50-60 plus the advanced course in the area of study.

C. PHYSICS

PHY 1010—Introduction to Physics (4)
The fundamental concepts of physics. Lectures and lab.

PHY 1020—Consumer Electricity. Designed for general education or electives (2)
The fundamentals of electricity and electric power, including electrical measurements, basic a.c. and d.c. parallel and series circuits, electric motors and electric power generation. Tours of nearby electric power generating facilities will be included. Prerequisite: Environmental Science 1650 or equivalent. Lectures and lab.

PHY 1030—Scientific Instrumentation. Designed for general education or electives (2)
The basic measurement interaction and the signal processing are described for a number of technically important physical, chemical biological and medical instruments. Prerequisite: Environmental Science 1650 or equivalent. Lectures and lab.

PHY 1050—Sound systems, Designed for general education or electives (2)
Vibrating systems, nature of sound, hearing, phone and tape systems, microphones, and loud speaker systems will be discussed. Prerequisite: Environmental Science 1650 or equivalent. Lectures and lab.

PHY 1060—Energy Alternatives (2)
Designed for general education or electives. The world's energy problem is discussed. Solutions to the problem are described, including conservation and alternative energy sources. Field trips and guest speakers are included in this course. Prerequisite: Environmental Science 1650 or equivalent. Lectures and lab.

PHY 1110-1120-1130—General Physics (4)
For students in biology, engineering, and medicine. Includes mechanics, heat, sound, electricity and magnetism, light and modern physics. Lectures and lab.

PHY 2110-2120-2130—General Physics (4)
A course designed for students in the physical sciences and mathematics. Calculus is used in the mathematical description of physical processes. Subject material and instruct are the same as Physics 1110, 1120, 1130. Prerequisite: Mathematics 2010, 2030. (May be taught concurrently with Physics 1110, 1120, 1130). Lectures and lab.

PHY 4330—Special Projects in Physics (1-4)
Open to science majors and minors with advanced standing. Individual study in a chosen field under the supervision of a staff member in Physics. 2 hours lab per week for each hour credit.

D. SPECIAL SCIENCE COURSES

SCI 1650—Environmental Science (4)
A course integrating the biological and physical sciences in relationship to the environment. Topics covering the structure and organization of matter, energy cycling, population control and environmental cycles and influences are covered.

SCI 3490-3500—Methods of Teaching Science in the Elementary School (3)
Materials, methods and current trends in teaching science in the elementary school. Basic concepts of science are also stressed. 3490—biological science, 3500—physical sciences. Lecture and lab.

SCI 3510—Earth and Space Science (4)
Topics covered are geology, astronomy, meteorology, oceanography. Suitable for elementary or secondary education majors and for general education. Lecture and lab sessions.

SCI 3600—Materials and Methods of Teaching Science in the Secondary School (3)
Includes a comprehensive file of science materials and references, a study of laboratory technique and a review of basic subject matter.

E. MATHEMATICS

MAT 1010—Basic Math Skills (3)
For students with math deficiency as determined by ACT score. It includes fractions, decimals, and elementary operations in algebra. Graded S or IP.

MAT 1035—Intermediate Algebra (4)
A course for the student who has only one year of high school algebra or who feels in need of a refresher course prior to college algebra. A study of the real number system, functions and their graphs and systems of linear equations and inequalities.

MAT 1040—Concepts of Mathematics (3)
Designed to meet the objectives of general education in this area, it is a study of the basic concepts of number, measurements, function, and proof.

MAT 1050—College Algebra (4)
A rapid review of the fundamentals, followed by a study of first and second degree functions, polynomial functions, systems of equations, matricies and determinants.

MAT 1060—Trigonometry (4)
Trigonometrical functions, formulas, and equations.

MAT 2010-2020-2030—Unified Calculus and Analytic Geometry (4)
Cartesian Coordinates, equations of curves, conics, and polar coordinates: differentiation of functions with algebraic, geometric, and mechanics applications, integration of functions, integration by changes of variable, and reduction formulas.

MAT 2040-2050—Intermediate Calculus (4)
Infinite series, expansion of functions, multiple integrals, and introduction to differential equations. Prerequisites: 2010-2030.

MAT 2060—Linear Algebra (4)
Linear equations, vector operations, matrices determinants, and linear transformations. Prerequisites: College Algebra and Trigonometry and Calculus 2010 or equivalent training in high school.

MAT 2100—Concepts of Elementary Mathematics (3)
Elementary number theory, whole numbers, integers, numeration systems. Required of elementary, early childhood, and special education students.

MAT 2200—Concepts of Elementary Mathematics (3)
Inverses, order properties, rational and irrational numbers, percent, computational algorithms. Required of elementary, early childhood, and special education students.

MAT 2300—Concepts of Elementary Mathematics (3)
Elements of plane and solid geometry including measurement with metric units; basic elements of algebra. Required of elementary, early childhood, and special education students.

MAT 3010—Mathematical Theory of Probability (4)
Probability of finite sample spaces, random variables, probability distributions, binomial distributions. Prerequisite: Calculus 2030. Alternate years.

MAT 3020—Mathematical Theory of Statistics (4)
Analysis of the basic principles of statistical methods from properties of distributions to sampling and statistical inference. Prerequisite: Calculus 2030.

MAT 3030—Modern Algebra (4)
Sets, groups, rings, and fields. Logical rigorous proofs and analysis are emphasized.

MAT 4010—Vector Analysis
The Algebra and the differential and integral calculus of vectors with applications to geometry and mechanics. Prerequisite: Calculus 2030.

MAT 4020—Differential Equations (4)
Linear equations with constant coefficient and equations of the second order from geometrical and physical applications. Prerequisite: Calculus 2050.

MAT 4330—Directed Study in Math (1-4)
For advanced students working on special projects supervised by the instructor.

Christian Community Living

Trevecca Nazarene College is the college of the Church of the Nazarene for the southeastern United States. As a Christian institution it exists to provide quality higher education in the tradition of the Liberal Arts within a Christian context. The Liberal Arts tradition is perceived to involve total personal development and life preparation. The Christian context is interpreted as emphasizing the Biblical teaching of Christian love as the norm of all human relations. The community attempts to foster a climate where development and integration of these areas occur through a Christian perspective on faith and living. Knowledge and truth can only find completion as it relates to eternal values.

A Community Living Council composed of students, faculty, and administrators has developed general guidelines which are consistent with the standards of the Church of the Nazarene and Trevecca's concept of Christian community living. The following policies are included in this statement. We ask that all students subscribe to these guidelines before admission. Read these carefully. If you can accept these conscientiously and gladly, you will find the Trevecca experience profitable as well as conducive to the highest standards of life.

As a student at Trevecca, I agree:

1. To accept the responsibilities of campus citizenship regarding the regulations as set forth in the college catalog and guidelines of the Community Living Council.

2. To attend required chapel services, take the required courses for Christian perspective on faith and living, and regularly attend the church of my choice.
3. To refrain from attendance at entertainment events that would compromise the Christian witness as interpreted by the Church of the Nazarene. This includes the avoidance of the commercial motion picture theater and all forms of social dancing.
4. To refrain from coarse, obscene or profane language, tobacco, alcoholic beverages, illegal drugs and narcotics, gambling, and all forms of immoral conduct.
5. To abide by municipal, state, and Federal laws.
6. To respect the rights and dignity of each individual and to avoid all forms of destructive conduct that would violate those rights or damage the property of others.

While some may not have personal convictions in accord with all of these standards, enrollment in Trevecca Nazarene College, obligates the student to assume responsibility for them while enrolled. It should be understood that any behavior, either on campus or away, which gives evidence of disregard for the rules and spirit of the College's concept of Christian community living, would be sufficient reason for disciplinary action by the College. This could result in dismissal from the College.
